ALLERGENS & SPECIAL DIET

No matter what your unique dietary needs are, we have options for you! Unless you're allergic to tasty food, in which case, we might have an issue. Sorry Amigo!

This guide specifies the known allergens in our food based on the information we receive from our suppliers regarding ingredients and the recipes we work to.

As our dishes are prepared by hand each day, in each restaurant, not under lab conditions, individual foods may come into contact with one another during preparation and we cannot guarantee the complete absence of allergens in our restaurants. Our crew are trained to deal with allergen requests but there is always the possibility of human error. We therefore please ask that you use this guide with this in mind.

All nutritional values are based on approximate serving sizes as all of our ingredients are measured by hand. If you are unsure, please talk to our crew.

VEGAN & VEGETARIAN

Our seasonal vegetables and vegan chilli are Vegan and Vegetarian Society Approved. Vegans should avoid our meats, Monterey Jack cheese, sour cream, and chipotle cheese sauce. Our tortillas, vegetables, rice, beans, salsas, chips and guacamole, are vegetarian and vegan.

GLUTEN INTOLERANCE

The following menu items contain gluten in the form of wheat: flour tortilla wrap, flour taco and some limited time offers (please see last page). If you are highly sensitive to gluten and would like us to change our gloves, just let us know at the start of your order. While no other recipes use ingredients that have cereals containing gluten, we cannot 100% guarantee our dishes are gluten free due to the open nature of our kitchens and the slight risk of cross contamination.

HALAL

While we're not a certified Halal restaurant, our chicken is from a Halal Certified supplier and is pre-stunned in accordance with the British Halal Food Authority. Please note that our chicken is prepared and served in a kitchen which contains pork, however it is prepared on a clean and sanitised work bench and grill.

CAUTION

Our products are handcrafted, so although every care is taken, please be aware our ingredients may contain natural pits, stems, stalks or bones.

This includes dishes made from fruits, vegetables, poultry and other protein sources. Examples:

- Salsas may contain pips or fruit stems;
- Vegetable dishes, including beans may contain leaves or tough stalks; and
- Chicken, pork and beef dishes may contain small bones, cartilage or fragments.

We exercise utmost care in the preparation of our foods, however some natural elements may remain despite our diligent efforts. Please inspect items thoroughly and consume with caution. Parents/guardians should carefully oversee consumption by children.

Tortilla assumes no liability for any injury or damages caused by the inadvertent presence of such natural elements inherent to the ingredients. Your acknowledgment of this disclaimer is appreciated.
