Ongoing Publication of Weekly Net Asset Value

Third Point Investors Limited (“TPIL” or the “Company”), the closed-end, London listed event-driven hedge fund managed by Daniel S. Loeb’s Third Point LLC (the “Investment Manager”), announces that it will begin publication of weekly estimated net asset value (“NAV”) of Company shares, commencing March 2021.

The weekly NAV estimates will generally be posted on Fridays, as of Wednesday close, on the company’s website, www.thirdpointlimited.com, and via the London Stock Exchange’s Regulatory News Service (RNS). The Company believes the additional disclosure of weekly NAV estimates is an important advancement to further improve transparency for TPIL investors.

The estimated NAV of the under mentioned class of shares of no par value in the Company, as at the close of business on 3rd March 2021 is:

CLASS	NAV	MTD Performance	YTD Performance	SEDOL
USD Shares	USD \$27.08	-0.9%	3.4%	B1YQ721

The MTD performance figures are calculated by reference to the previous estimated month end NAV or, if published, the previous month end confirmed NAV including any dividends or shares cancelled. The YTD performance figures are calculated by reference to the NAV at the end of the last calendar year including any dividends or shares cancelled.

The Ordinary Shares purchased during March are being held by Third Point Offshore Master Fund LP until the Company is able to cancel the shares following month-end. Accordingly, the above estimate does not include the estimated NAV uplift of one cent, which will be reflected in the April NAV once shares have been cancelled. Shares cannot be cancelled intra-month due to legal and logistical considerations.

The NAV figures stated in this announcement are an estimate only and are based on unaudited estimated valuations supplied by the administrator of Third Point Offshore Fund, Ltd (“Master Fund”). The actual month end NAV may be materially different from the estimated monthly value. Accordingly, no reliance should be placed on such estimated NAV and it should only be taken as an indicative guide. This document is for information purposes only and is not an offer to invest.
