Fee Requirements and Transaction Fee Cap

An initial onboarding fee and the first three months of deposits are required for each account. A minimum transaction fee of €0.50 applies to all SEPA transactions. Virtual IBANs can be issued for various purposes per company user or transaction.

For any transaction involving transfers between company accounts or between accounts of associated companies with differing fee structures, the applicable internal transaction fee will be set at the higher of the two account fees.

SWIFT Transactions:

For any transaction involving transfers between company accounts or between accounts of associated companies with differing fee structures, the applicable internal transaction fee will be set at the higher of the two account fees.

Minimum Balance Requirement:

A minimum balance of three months of monthly fees is required to prevent the account from going into deficit.

European Economic Area (EEA) Countries:

The EEA includes Belgium, Bulgaria, Cyprus (the Greek part), Denmark, Germany, Estonia, Finland, France, Greece, Hungary, Ireland, Iceland, Italy, Croatia, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Austria, Poland, Portugal, Romania, Slovenia, Slovakia, Spain, the Czech Republic, Sweden, and Switzerland.

This overview is designed to ensure clarity in our fee structure and requirements. Please contact us if you have any questions or need further information.
