

**26TH-29TH  
MAY**

**DESIGN YOUR WORLD CUP BOTTLE**

Children will unleash their creativity by designing their very own reusable sports bottle! Using bold colours, fun patterns, and inspiration from their favourite team or country, they'll create a unique, personalised bottle they can proudly use all week long. It's a fantastic way to combine creativity, self-expression, and a sense of ownership. Please note: a small additional charge of £4.95 applies to our Make & Take experience.
