

4 DAYS MISSIONS

Each Holiday HQ features a different theme to keep things fresh and exciting. Every day includes five “Hero Activities”, a planned core set of activities delivered across all Holiday HQ locations, with a mix of sports, STEM and crafts designed to bring each daily theme to life.

Our Make & Take sessions give children the chance to create and bring home their own special Holiday HQ keepsake.

Our Special Events are optional add-ons to our core Holiday HQ programme, which parents can choose when making a booking. These include new on-site Special Experiences and expert-led Workshops during Mid-Terms, as well as exciting Excursions at selected locations during the summer.

FOOD CRAFT ZONE SPORTS/TEAM GAMES STEM

What to Bring: Children should come prepared for a full day of fun! We recommend bringing spare clothes for messy activities, a water bottle, snacks and lunch. During the summer season, children should also bring a hat and sunscreen. Holiday HQ provides an afternoon snack from 3pm.
