- A clearer payment options page for a smoother experience.
- The ability to edit your billing address directly on the payment page (if your card matches your parent account details, you won't need to enter it manually!).
- A new 'Split Evenly' button for CCV/TFC payments, so you don't have to calculate amounts manually—just click and go!

## Pay via OpenBanking

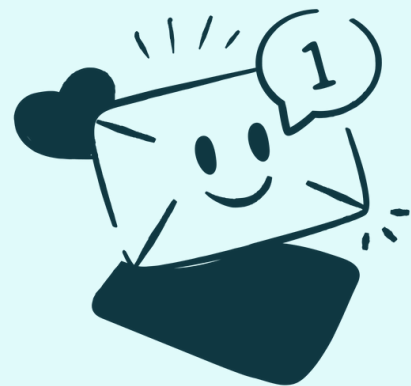

You can now make payments directly through Open Banking!

- Securely authorise payments via your banking app/website.
- No need to enter card details every time.
- Faster and more convenient transactions.

- Link your HMRC TFC account to MagicBooking.
- View your TFC balance within MagicBooking.
- Make TFC payments directly without visiting the GOV website.
