

## CARBON MANAGEMENT STATEMENT 2023

---

### OUR CORPORATE COMMITMENT

ESS Modular is an environmentally conscious organisation, which acknowledges the impact that our operations may potentially have on the environment.

We are committed to reducing our environmental impact and achieving Net Zero emissions by 2050, aligned with pathways that limit warming to 1.5°C by:

- Embedding a culture of environmental responsibility throughout our business, supply chain and stakeholders.
- Reducing waste, sourcing responsibly and minimising our carbon emissions.
- Balancing any remaining emissions by use of carbon removal.

---

### BASELINE EMISSIONS FOOTPRINT

We are in a process of establishing our scope 1, 2 & 3 emissions reference point against which emissions reduction targets can will be measured from 2024 onwards.

ESS is committed to developing a transparent and ambitious carbon management plan.
