STANDARDS/RECOMMENDATIONS/DIRECTIVES

Directive 2008/98/EC on waste and repealing certain Directives

CONFIRMATION

We confirm that

the AKRO-PLASTIC GmbH in the new and further development of compounds, avoids the use of hazardous substances as far as possible. This is in accordance with article 9 (1) lit. i of the above mentioned standard.

Additionally, the products of AKRO-PLASTIC GmbH are not products in the sense of (EC) 1907/2006.

This document expires at the earlier of two years from date of issue or any regulatory change occurring. We kindly ask you to request a new declaration if necessary.

This document was created electronically and is valid without signature.

Kind regards
AKRO-PLASTIC GmbH

sgn. i. A.

The information is based on our current knowledge and experience. In view of the many factors that may affect processing and application of our product, these data do not relieve processors from carrying out their own investigations and tests. The declaration is not to be construed as guaranteeing specific properties of the product or their suitability for a particular application. This declaration replaces all previous ones to this subject. The document is valid two years.
