

EU/EEA Scholarship Terms and Conditions

- The EU/EEA scholarship is only open to students who apply for undergraduate degrees at Escape Studios.
- This scholarship does not apply to postgraduate degrees or short courses (14-week and 21-week delivery).
- To be considered for the EU/EEA scholarship you need to apply by the deadline set on the [scholarships webpage](#).
- A student can only be in receipt of one Escape Studios scholarship. If you meet the eligibility criteria for more than one of the scholarships, you will be awarded the scholarship of the highest value.
- Scholarships are redeemed as tuition fee waivers only (unless otherwise specified), they have no monetary value and cannot be exchanged or refunded.
- Scholarships will only be awarded if the course runs, by meeting the minimum cohort of students.
- Scholarships are course specific and cannot be transferred to a different course from which the scholarship has been offered.
- Scholarships cannot be used to fund any aspect of repetition of a level of study.
- All scholarships, unless otherwise specified, are non-deferrable and cannot be reassigned.
- If you are offered a scholarship and then choose to defer your place, the offer of the scholarship will be withdrawn.
- Escape Studios reserves the right to withdraw the scholarship if it discovers that the student has made misrepresentations leading to the award of the scholarship.
- Scholarship winners are expected to maintain 90% attendance (excludes authorised absences), Escape Studios reserves the right to withdraw the scholarship where students are not maintaining 90% attendance levels.
- Escape Studios will use the personal data you provided us to administer your scholarship award, and this information will be stored along with your other student records in line with our Privacy Policy.
