

DISCOUNTS ON POSTGRADUATE AND SHORT COURSES

TERMS AND CONDITIONS

These discounts apply to postgraduate masters degree or short courses (12 and 21 weeks) taught at Escape Studios. They do not apply to Evening Online courses.

- The student must meet all the entry criteria and have received an offer of a place on the course.
 - **Escapee discount (15%)** – completed or due to complete an undergraduate, postgraduate or short course (not Evening Online) at Escape Studios. If you did not fully complete your course, you will not be eligible.
 - **Higher Escapee discount (20%)** - apply to a postgraduate masters degree within three years of graduating from an undergraduate degree course at Escape Studios, plus meet the specified Access and Participation criteria (see website).
 - **Early application discount (UK home students and online students)** – apply to a postgraduate or short course by the specified deadline (see website), submit your portfolio and accept your place by the deadline in your offer letter.
 - **Early payment discount (international in person students)** - apply to a postgraduate or short course by the specified deadline (see website) and pay the complete course tuition fee in full before enrolment.
- The discount cannot be added after the student has paid their fees in full.
- The student must comply with the applicable terms and conditions which apply to their programme.
- Escape Studios has the right to withdraw a discount at any time.
- A student can only be in receipt of one Escape Studios discount. If you meet the eligibility criteria for more than one discount, you will receive the award which is the most beneficial to you.
- Discounts are redeemed as tuition fee waivers only; they have no monetary value and cannot be exchanged or refunded.
- These are one-off discounts, which are for a specific course and start date.
- If you are offered a discount and then choose to defer your entry, the offer of the discount will be withdrawn.
- Escape Studios reserves the right to withdraw the discount if it discovers that the student has made misrepresentations leading to the award of the discount.
- Escape Studios will use the personal data you have provided to us to administer your scholarship award, and this information will be stored along with your other student records in line with our [Privacy Policy](#).

- If applying the Escapee discount to a second course before completing the first course, the discount could be revoked if the student does not complete the first course, and the student would be liable for any outstanding fees.
