V&A Dundee | V&A

An evening with

Catwalk: The Art of the Fashion Show

Set within the iconic surrounds of V&A Dundee, the evening unfolds like a runway show in chapters. Guests will experience Catwalk inspired cocktails, delicately styled canapés and fashion-led bowl food, each dish designed to echo the exhibition's language of shape, texture, colour and silhouette.

With after hours access to **Catwalk: The Art of the Fashion Show** exhibition, commentary from the Curator and an introduction to Heritage Portfolio's newest menu creations, this is an evening curated with the same attention to detail as a couture collection. A standout moment on the cultural calendar and not one to miss.
