QUARTR DATA USE TERMS

These Quartr Data Use Terms (the “**Terms**”) apply when a user (“**User**”) authorized to do so under an agreement between their organization and a service provider access or otherwise uses Quartr Data through an application programming interface, platform or services offered by such service provider (“**Services**”).

1 DEFINITIONS

“**Quartr**” means Quartr Inc. and/or Quartr AB including their affiliates as applicable.

“**Quartr Data**” means any data, information or content made available by Quartr and accessed through the Services, including corporate disclosure materials, earnings call transcripts, presentations, reports and related documents, and any documentation relating to that data or content.

“**User Works**” means outputs, analyses or derived works prepared by User using Quartr Data that constitute a meaningful transformation, enrichment or analysis of that Quartr Data.

2 OWNERSHIP AND LIMITED LICENSE

2.1 Quartr, its affiliates or its licensors retain all right, title and interest, including all Intellectual Property Rights, in and to the Quartr Data and the underlying technology and content. User receives no ownership interest in the Quartr Data. All rights not expressly granted in these Terms are reserved by Quartr.

2.2 Subject to User’s compliance with these Terms, User may access and use the Quartr Data solely through the Services and solely for the purposes outlined in the agreement between User’s organization and the relevant service provider granting User access to the Quartr Data (the “**Permitted Purpose**”). This license is limited, non-exclusive, non-transferable, non-sublicensable and revocable. Nothing in these Terms limits or modifies any rights granted to the relevant service provider under its agreement with Quartr, or requires User to act inconsistently with the terms governing the Services.

2.3 User may use Quartr Data to prepare user works. User may share user works externally in its ordinary course of business only if such works are a meaningful transformation, enrichment or analysis of Quartr Data and: (a) no continuous verbatim excerpt from a single item or document of Quartr Data exceeds 250 words; and (b) verbatim Quartr Data comprises no more than 20% of the total word count of the user work. User remains responsible for its user works and for complying with these Terms.

- (b) use Quartr Data on behalf of, or for the benefit of, any third party, except as expressly permitted under Clause 2.3;
- (c) use Quartr Data to design, develop, train, fine-tune, improve, evaluate, benchmark, market, operate or offer any product, service, model or feature that competes with Quartr or any Quartr offering;
- (d) use Quartr Data to train, fine-tune, evaluate or otherwise develop any artificial intelligence, machine learning or large language model. User may submit Quartr Data as an input to the Services solely for the Permitted Purpose. Provided that User may not submit Quartr Data to any other AI service unless that service does not retain or use the input for model training. For clarity, this Clause 3.1(d) does not restrict the operation of the Services by the service provider in accordance with its agreement with Quartr;
- (e) scrape, crawl, spider, harvest, mirror, bulk download, systematically cache Quartr Data, or use Quartr Data to build, populate, enrich or maintain any database, archive, dataset or similar repository beyond the Permitted Purpose;

- (f) circumvent, exceed or interfere with any rate limits, technical restrictions or access controls applicable to the Services or use automated means to systematically access Quartr Data beyond normal usage patterns;
- (g) store or process Quartr Data in a manner that prevents its deletion or return when required under these Terms;
- (h) use Quartr Data in an infringing, defamatory, harmful, fraudulent, unlawful, deceptive, threatening, harassing or obscene manner, or in violation of any applicable law; or
- (i) submit or process through the Services any information that constitutes inside information or is otherwise restricted from disclosure under applicable securities, market abuse or insider-dealing laws.

4 CONFIDENTIALITY AND DATA PROTECTION

- 4.1 User must treat all non-public Quartr Data as confidential and must not disclose it to any third party, except as permitted under these Terms. User may disclose confidential Quartr Data only to its employees, contractors and professional advisers who have a legitimate need to know it for the Permitted Purpose and who are bound by confidentiality obligations no less protective than those in this Clause 4. User remains responsible for their compliance with these Terms.
- 4.2 To the extent Quartr Data includes personal data, User must comply with applicable data protection laws in its use of that personal data.

5 NO RELIANCE

Quartr Data is provided for general information and research purposes only. It does not constitute investment, legal, accounting, tax or other professional advice, or a recommendation to buy, sell or hold any security or financial instrument. User must independently verify Quartr Data before relying on it. Quartr Data may be incomplete, inaccurate or out of date.

6 WARRANTY DISCLAIMER

- 6.1 EXCEPT AS EXPRESSLY SET OUT IN THESE TERMS, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, QUARTR DOES NOT GIVE ANY REPRESENTATIONS, WARRANTIES, TERMS, CONDITIONS OR STATEMENTS, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, AS TO THE QUALITY, CONTENT, ACCURACY, COMPLETENESS, TIMELINESS, AVAILABILITY OR FITNESS FOR A SPECIFIC PURPOSE OF THE QUARTR DATA, OR THE NON-INFRINGEMENT OF ANY THIRD PARTY INTELLECTUAL PROPERTY RIGHTS, A WARRANTY OF MERCHANTABILITY, OR THAT ACCESS TO QUARTR DATA WILL BE SECURE, UNINTERRUPTED OR FREE OF HARMFUL COMPONENTS. USER ASSUMES TOTAL RESPONSIBILITY FOR THE SELECTION AND USE OF THE QUARTR DATA TO ACHIEVE ITS INTENDED RESULTS.
- 6.2 Quartr warrants that it will not knowingly communicate to User through the Quartr Data any material non-public information (a) in violation of applicable law, or (b) that would require User to abstain from trading any securities to which the information relates under applicable law.

7 LIMITATION OF LIABILITY

- 7.1 TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, QUARTR IS NOT LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, PUNITIVE, INCIDENTAL OR SPECIAL DAMAGES, INCLUDING LOSS OF PROFITS, REVENUE, DATA OR USE, INCURRED BY USER OR ANY THIRD PARTY, WHETHER IN AN ACTION IN CONTRACT OR TORT, ARISING FROM OR RELATED TO THESE TERMS OR ANY USE OF QUARTR DATA, EVEN IF QUARTR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
- 7.2 TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, QUARTR'S ENTIRE AGGREGATE LIABILITY FOR ALL CLAIMS RELATED TO THESE TERMS OR THE QUARTR DATA, REGARDLESS OF THE BASIS OF THE CLAIM, WILL NOT EXCEED ONE THOUSAND US DOLLARS (USD 1000).
- 7.3 User must notify Quartr in writing of any claim under or arising out of these Terms without undue delay and in any event within twelve (12) months from the date on which User became aware, or reasonably should have become aware, of the circumstance giving rise to the claim.

- 7.4 Nothing in these Terms limits or excludes Quartr's liability for death or personal injury caused by its negligence, fraud or fraudulent misrepresentation, wilful misconduct, or any other liability that may not be excluded or limited by applicable law.

8 INDEMNIFICATION

- 8.1 User will defend, indemnify and hold harmless Quartr and its affiliates, and their respective officers, directors, employees and agents, against any claim by a third party arising out of or relating to: (a) User's breach of these Terms; or (b) User Works, in each case excluding any claim to the extent arising from the operation of the Services by the service provider in accordance with its agreement with Quartr, and will indemnify Quartr against damages and reasonable costs finally awarded by a court of competent jurisdiction or agreed in settlement by User.
- 8.2 Quartr must promptly notify User in writing of any potential indemnification claim and give User sole control of defence and settlement, provided that User will not agree to any settlement imposing a non-financial obligation on, or admission of liability by, Quartr without Quartr's prior written consent. Quartr will provide reasonable cooperation at User's expense.

9 SUSPENSION, TERMINATION AND DELETION

- 9.1 User's right to access and use Quartr Data automatically terminates when User's right to use the relevant Services terminates or when User's access to Quartr Data is lawfully suspended or terminated.
- 9.2 On termination of User's right to access Quartr Data, or earlier on request, by service provider or Quartr, User must promptly delete, destroy or return all Quartr Data in its possession or control outside the Services and, if requested, certify its compliance in writing. User may retain Quartr Data only to the extent required by applicable law or User's bona fide internal retention policies and procedures, including standard backup systems, provided that retained copies remain confidential, are not accessed or used for any other purpose, and are deleted when no longer required. Nothing in this Clause 9.2 requires User to delete, destroy or return Quartr Data retained within the Services or by the service provider, which is governed by the terms governing the Services and any agreement between Quartr and the applicable service provider.

10 ENFORCEMENT AND PRECEDENCE

- 10.1 If there is any conflict between these Terms and the terms governing User's use of the Services, the terms governing the Services will prevail, except that these Terms will apply to User's access to and use of Quartr Data to the extent they do not conflict with those terms or any agreement between Quartr and the applicable service provider.
- 10.2 Any provision of these Terms that by its nature is intended to survive termination or expiry, shall survive the termination or expiry of User's right to access Quartr Data.
