Christmas Retail 2026

Dear valued customer,

Welcome to our Christmas Retail Catalogue 2026. We have a wealth of new food items and seasonal treats for stocking up your shelves this festive season.

With lots of stocking fillers, plenty of gourmet delights for food connoisseurs and a large selection of gift boxes, showcasing many of our year-round favourite brands, we hope you enjoy reading this catalogue and making it a core part of your offering this season. Our team will be in contact with you within the next two weeks to discuss your individual requirements for Christmas 2026.

Whilst we hold stock of a lot of the year-round items featured in this brochure, seasonal products, Christmas items and new product listings are to pre-order only. Therefore to ensure you have everything you need on your shelves in time for the festive season, **we are aiming to have all orders for Christmas into us by Friday 21st August**, so that deliveries can commence out to you from 12th October. This timeline is due to the fact that most of our range is produced in small batches, by small scale producers, with certain limits on capacity.

Thank you for your continued support, we really do appreciate it.

Here's to a tasty Christmas 2026,

The Odaios Crew
