Christmas Retail 2025

Dear valued customer,

Welcome to our Christmas Retail Catalogue 2025. We have a wealth of new food items and seasonal treats for stocking up your shelves this festive season.

With lots of stocking fillers, plenty of gourmet delights for food connoisseurs and a large selection of gift boxes, showcasing many of our year-round favourite brands, we hope you enjoy reading this catalogue and making it a core part of your offering this season. Our team will be in contact with you within the next two weeks to discuss your individual requirements for Christmas 2025.

Whilst we hold stock of a lot of the year-round items featured in this brochure, seasonal products, Christmas items and new product listings are to pre-order only. Therefore to ensure you have everything you need on your shelves in time for the festive season, **we are aiming to have all orders for Christmas into us by Friday 22nd August***, so that deliveries can commence out to you from 6th October. This timeline is due to the fact that most of our range is produced in small batches, by small scale producers, with certain limits on capacity.

Thank you for your continued support, we really do appreciate it.

Here's to a tasty Christmas 2025,

The Odaios Crew

**POPCORN
SHED**

Popcorn Shed is a super-premium popcorn brand handcrafted in the UK.

Operating out of a garden shed since 2016, it is a home-grown, family-owned business founded by cousins Sam and Laura.

They take pride in creating elaborate and whimsical flavours with artful attention to detail.

Popcorn Shed uses an artisan cooking process by making a fresh caramel batch with each production run. Their popcorn is tumbled in fresh caramel before being scattered with melted chocolate, nuts and dried fruit. This ensures a deep, rich flavour and provides a lovely texture to every single kernel.

SOLSTICE

PREMIUM IRISH ICE CREAM

Premium Irish ice cream made from the finest Irish milk and cream our rich and fertile land can provide.

Grass-fed dairy, farmed in harmony with nature the way our ancestors have done for over 5,000 years.

Solstice is derived from Latin, “sun standing still” or “grian-stad” in Irish. Take time to stand still, taste this heavenly ice cream and live in the moment, frozen in time.

Solstice is a truly beautiful seasonal ingredient-based premium ice cream inspired by the mysticism of the equinoxes and solstices. Our pastry chefs Cyril and Erik collaborated to create the perfect balance and celebration of Irish dairy infused with exquisite ingredients.

Our sourcing philosophy is simple:
reach for the stars and let nature shine.

Everything Filligans produce since 1997 is hand-made in Donegal in small batches, according to traditional farmhouse methods. Their recipes are original – either passed on to them by family and friends, or developed by themselves through research, experimentation and taste-testing.

Working closely with delicatessens, food halls, whole food shops, cafés and restaurants, they've developed a line of products, from traditional preserves to sophisticated chutneys, ideally suited for all quality food outlets.
