Autumn-Winter 2026

Autumn - Winter 2026

Dear valued customer,

Welcome to our Autumn-Winter 26/27 collection of great foods. Odaios is carving out a very distinctive place in the Irish hospitality market and we thank you for your continued support in making this possible. We really do appreciate it.

We select our foods based on great taste, sustainable work practices, animal welfare and cooking performance. We have been busy building strong relationships with our supplier partners, so that we can contribute to making your menus exciting and relevant to today's food savvy consumer.

Our comprehensive range of Christmas lines have been created by foodservice professionals for foodservice professionals. They have been designed specifically to meet your requirements in terms of taste, reliability, cooking performance and ease of use.

We hope you enjoy reading this catalogue and making it a central part of your offering this season. We will be in contact to walk and talk you through this season's offerings and look forward to supporting each other as best we can throughout the autumn and winter seasons.
