Mark has more than 17 years experience as a restructuring, turnaround and financial advisory specialist. He has worked with private sector companies, listed groups, government, lenders and legal advisors during periods of financial challenge, distress and change.

Mark is a Registered Liquidator and delivers insightful and practical advice derived from extensive experience undertaking independent business reviews, operational restructuring, risk management, financial advisory, formal insolvency appointments and distressed M&A engagements.

High profile engagements of Mark's include being Administrator of ASX listed Bowen Coking Coal, Receiver of Mt Carlton Gold Mine in northern Queensland, the administration of Brisbane's AirportLinkM7 tunnel and restructure and subsequent sale of sports apparel company BLK.

Mark has worked across a broad range of industries including construction, government, hospitality, infrastructure, mining, property, energy and retail.

## Engagement Experience —

- Voluntary Administrator of ASX listed Bowen Coking Coal Limited, owner and operator of the Burton mine in Queensland's Bowen Basin.
- Receiver of Mt Carlton Gold Mine, one of Australia's highest grade open-pit gold operations at its height of production, located in north Queensland on behalf of an ASX listed client.
- Receiver of the iON Group, a green energy wholesaler and retailer operating across the east-coast of Australia for a non-bank lender.
- Administrator of Armour Energy Limited, a listed Queensland oil and gas company operating in the Surat basin, which was transacted to ADZ Energy.
- Administrator of ENcome Energy, an independent contractor of O&M and technical asset management services for several Australian solar farms.
- Voluntary administration of RCR Tomlinson Limited, including the operational restructure and subsequent divestment of its upgrades & maintenance division.
- Receivership, operational restructure and subsequent sale of the sports apparel company known as "BLK".
- Voluntary administration of ASX listed BrisConnections Group, the owner of the AirportLinkM7 tunnel located in Brisbane.
- Turnaround advisor for a large Queensland PPP infrastructure asset, which included a Safe Harbour review.
