kaboodle warranties

Subject to proof of purchase, DIY NZ Pty Ltd (“DIY”) provides the following limited warranties to the original purchaser of kaboodle products purchased and used in New Zealand only on the following terms and conditions:

kaboodle 10 year warranty

DIY warrants that it will, at its option, repair or replace any cabinet carcass, hinge and drawer runners, handles, doors and panels, benchtops, farmhouse sinks, stainless steel sink accessories, wire baskets and inserts, steel frame shelves, hanging kitchen storage or waste bins that suffer a failure due to a defect in the materials or manufacturing process within ten (10) years from the date of purchase. Please see our latest catalogue for more information about PYOD.

kaboodle 5 year warranty

DIY warrants that it will, at its option, repair or replace any timber benchtops or bamboo accessories that suffer a failure due to a defect in the materials or manufacturing process within five (5) years from the date of purchase.

the kaboodle advantage

If you install your kaboodle product in a house which you own and is your principal place of residence, DIY will extend your warranty for as long as your kaboodle product is installed in that house and you continue to own and maintain that house as your principal place of residence. That’s the kaboodle advantage!

The kaboodle advantage applies only to cabinet carcasses that suffer a failure in its structural integrity due to a defect in the materials or manufacturing process.

Please note the kaboodle advantage warranty is not transferable or assignable.

- Authorised kaboodle retailer (Bunnings store)
- Your full name
- Your phone number

Acceptable proof of purchase can be a tax invoice or receipt(s) that clearly itemise the product and shows the date and place of purchase and, if applicable, information pertaining to the installation of your kaboodle product. As a strict condition, where there is no acceptable form of proof of purchase, DIY undertakes no responsibility to repair the product under warranty.

how DIY will fulfil warranty claims

DIY aims to rectify warranty claims as a matter of priority. Our customer service team will assess the information you provide, may organise an inspection of the product and determine the basis for the claim. DIY will honour all valid claims made under this warranty by either repairing or replacing (at DIY's option) your kaboodle product and/or introducing immediate corrective action measures to prevent re-occurring problems.

Please bear in mind you will be responsible for all expenses involved in contacting DIY to make your claim under this warranty and DIY will bear the expenses of any applicable inspection and processing of your claim.

DIY may, at its discretion, apply a charge for work done or any service call(s) if
