welcome

it's time to select all the items you'll need to bring your new kitchen to life

Now that you've decided exactly what you want your kaboodle kitchen to look like, this guide will help you choose your kitchen cabinets, hardware, accessories, doors, panels and benchtops.

Our four step process is designed to help you through the journey. You'll find our four step device on our packaging and instructions.

If you need a little help, get in touch with us today.

contents

step 1	choose your cabinets	4-13
step 2	choose your parts and accessories	8-19
step 3	choose your doors and panels	20-33
step 4	choose your benchtops	34-42

step 1

Now you've got your cabinets your Kaboodle Kitchen is underway!

step 4

Finally, you'll need to grab your benchtops and splashbacks, and enjoy bringing your Kaboodle Kitchen to life!

step 2

You've grabbed the parts you need - things like hinges, drawer runners and accessories.

step 3

You've collected your cabinet doors, drawer fronts, panels and kickboards.

cabinets

Start here by marking how many of each of the cabinets you need.

It's easy, just follow the highlighted example below!

base cabinets (doors)

product description	dimensions (h x w x d)	item no. product code		
step 1 e.g. 150mm base cabinet	720 x 150 x 560mm	2662587 W-51600	qty 4	continue along...

metal sided drawers

Choosing metal sided drawers changes the process a little bit, but just follow these easy steps to select the products you need for your drawers:

- Firstly, purchase a standard base cabinet; not a drawer base cabinet (as you won't be needing those timber drawers) in 450, 600 and/or 900mm widths.

cabinet width	drawer option		drawer panel pack (in your choice of colour/profile)
450mm base cabinet	3 drawer option	select 2 x 450mm metal sided drawers and 1 x 450mm metal sided pot drawer	450mm 3 drawer panel pack
	4 drawer option	select 4 x 450mm metal sided drawers	450mm 4 drawer panel pack
600mm base cabinet	2 drawer option	select 2 x 600mm metal sided pot drawers	600mm 2 drawer panel pack
	3 drawer option	select 2 x 600mm metal sided drawers and 1 x 600mm metal sided pot drawer	600mm 3 drawer panel pack
900mm base cabinet	2 drawer option	select 2 x 900mm metal sided pot drawers	900mm 2 drawer panel pack
	3 drawer option	select 2 x 900mm metal sided drawers and 1 x 900mm metal sided pot drawer	900mm 3 drawer panel pack

450mm metal sided pot drawer soft close	2667704 W-50603	qty
600mm metal sided pot drawer soft close	2667705 W-50604	qty
900mm metal sided pot drawer soft close	2667706 W-50605	qty

note:

You can also use metal sided drawers on our combination base cabinet and 600mm 1 drawer cabinet but the process is a little different. They too come standard with timber drawers but you'll simply need to discard the timber drawers and order the corresponding metal sided drawers to replace them.

- Then use our handy table below to work out which drawer configuration you would like, and how many of each you will need.
- Finish up by purchasing the drawer panel pack that matches your configuration (also in the table), and that's it – just select your handles and you're ready to start assembling.

parts and accessories

choosing doors

Choosing doors can be one of the most exciting steps in building your dream kitchen! Start by choosing what’s most important to you... is it colour, profile, material, the finish or price?

modern

You can go with the versatile look of a **modern profile**.

alpine

Add a touch of the shaker style to your design with our **alpine profile** thanks to the smooth centre and raised border.

country

Our **country profile** provides a sense of farmhouse-style charm with its grooves replicating timber joins.

v-groove

v-groove doors feature a vertical panel look down the full length of the door, for a slightly textured look that’s right at home in classic or contemporary spaces.

heritage

A **heritage profile** complete with deep grooves bordering the profile oozes traditional appeal.

six panel glass

Stylish **six panel glass doors** allows you to show off your favourite kitchenware and accessories.

raw board

Looking for that special colour? Choose our **raw board** doors, create your favourite paint colour and paint your own doors.

handleless doors

If you’re chasing the popular handleless look in your wall cabinets and push to open isn’t your thing, we’ve got you covered.

Choose our finger-pull option for your wall cabinets to create a seamless look which also allows the use of soft close hardware.

doors and panels availability guide

All kaboodle doors and panels have 18mm thicknesses. Customisable widths are available in all door colours in our modern profile via an extended lead time. Speak to a Bunnings kitchen expert for an accurate estimation.

doors and panels selection

extended lead time products

how it works

Work out how many of each door you need based on your cabinet selections. Enter in the quantity of each item onto the order form to your right, and take it to the Special Orders desk at your local Bunnings Warehouse.

A Bunnings Team Member will process your order with all the codes you need.

Customisable widths are available in all door colours in our modern profile via an extended lead time (usually delivered to store in 4-6 weeks).

modular cutting service

Or, choose our cutting service and get your modular benchtop cut to your required size. If you use our cutting service, you will need to go to the Special Orders desk at your local Bunnings Warehouse where a Bunnings Team Member will process your order.

what’s included

- the benchtop
- corner joins cut
- any straight cuts
- edging on finished ends

what’s not included

- a change in width
- any unusual cut (e.g. unusual angles) or safety corners
- sink or appliance cut outs
- toggle bolts and biscuit joiners
- cutting service is not available on our bamboo benchtops

[illegible]

* double laminate available on all square edge benchtops (top and bottom)

customisable laminate profiles

This part can get a little technical but don't worry your local Bunnings kitchen expert will help you through the process of ordering your benchtop. Here's some helpful information about our laminate profile options.

single roll v double roll

Single or double roll refers to when the laminate is rolled over one or two longer sides of a benchtop. Also known as single or double post formed edges. A single roll is used when one of the long sides is visible (the front of the benchtop) and the other is against a wall, whereas a double roll is used when both longer sides are visible, like on an island.

single edge v double edge

Single or double edge refers to the ABS/PVC strip on one or two longer sides of a square edge laminate benchtop. A single edge is used when one of the long sides is visible (the front of the benchtop) and the other is against a wall, whereas a double edge is used when both longer sides are visible, like on an island.

benchtop considerations

Here's some helpful information to consider when choosing a benchtop that's right for you.

Supporting legs are required when an overhang exceeds 300mm. The maximum distance between each supporting leg should be 800mm.

Gloss laminate benchtops may be susceptible to scratches, refer to our care and maintenance document for more information.

Cleaning matte benchtops. Matte surface should only use mild dishwashing liquid and warm water. Avoid any cleaners with abrasive micro particles and any cleaners containing citrus oil.

Grain and patterns on bamboo, timber, timber look and stone look laminate benchtops may not always line up at joins. Take this into consideration when choosing your benchtop and designing your benchtop plan.

Overhang for safety corners needs to be a minimum of 30mm to avoid exposing end panels.

Colour variations may occur with our timber benchtops as they are a natural product.

Care & Maintenance. As with any other interior surface, your benchtops should be cleaned regularly. In most cases all you need is a cloth and warm water or a mild detergent. Certain factors and circumstances such as benchtop material and age, as well as the type of stain do require more care. For specific cleaning instructions please visit the product page at kaboodle.com.au

how to measure for your benchtop

To get started, work out your benchtop requirements and you're ready to start creating your new kitchen.

Check your cabinets are level and square by placing a spirit level on top of your base cabinets. If not, cabinets should be adjusted before proceeding.

Measure the length of your kitchen remembering to include all filler and end panels. It is best to start from a wall and measure outwards. Add 20mm for the overhang or 30mm where safety corners are used.

Measure the depth of your kitchen from the back of the wall to the front of the doors/drawers.

how to draw your benchtop layout

1. Enter the measurements of your benchtop in one of the pre-set layouts in the order form or simply draw up your kitchen in the personal design area.

legend * overall length (wall to wall)
** benchtop width

3. Mark your corner joins. A corner join between a 600mm and 900mm (or a single postformed edge and a double postformed edge) should always run the width of the 600mm (or single postformed edge) benchtop. Sink or appliance cut outs must be a minimum of 300mm from any benchtop join.

2. Mark on your drawing the location of walls, edge strips, safety corners and postformed edges:

- o postformed edge (refers to the profile of the benchtop e.g. compact radius or square edge)
- w wall
- X edge strip (available on customisable benchtops only)
- / indicates a safety corner (available on customisable benchtops only)

note: Overhang for safety corners needs to be a minimum of 30mm.

4. If you require a straight join, sink or appliance cut outs must be a minimum of 300mm from any benchtop straight join.

5. Label each individual benchtop piece with a letter and work out their length, as shown in the example below.

A = 2130mm
3730mm — 600mm — 1000mm
(overall length) (width of pieces B & C) (width of piece D)

B = 2140mm
C = 2140mm
Two benchtops are required to make up the overall length of 4280mm.

D = 2300mm
Overall length.

Order through the SPECIAL ORDERS Desk

important for laminate benchtops

If a benchtop is cut in its length for any reason, you will have affected the length of that benchtop by a minimum of 30mm. This is the tolerance set for all joins and must be considered when calculating the workable/useable length of individual benchtop sections.

6. Take your plan to the Special Orders desk at your local Bunnings Warehouse. A Bunnings Team Member will process your order with all the codes you need.

safety corners

Our safety corners add an extra element of protection for your little ones.

how to order a benchtop

It makes sense that you'll choose a benchtop based on your colour preference and the look you want to achieve, so to help you choose, we've put our benchtops into collections based on their look and style. Whether you're after a stone-look, timber-look or even an actual solid timber, you'll find these and more with options ranging from light to dark to suit your unique style.

Lead times can vary, remember to speak to your Bunnings team member for an accurate delivery estimation.

kaboodle product warranty

kaboodle lifetime advantage

If you install your kaboodle product in a house which you own and is your principal place of residence, DIY Resolutions will extend your warranty for as long as your kaboodle product is installed in that house and you continue to own and maintain that house as your principal place of residence. That's the Kaboodle Lifetime Advantage!

- the Kaboodle Lifetime Advantage applies only to cabinet carcasses that suffer a failure in its structural integrity due to a defect in the materials or manufacturing process.
- to make a claim under the Kaboodle Lifetime Advantage warranty, you will also need to register your purchase on the kaboodle website. Scan the QR code below to start your registration.

other rights

The benefits provided to you under this warranty are in addition to any other rights or remedies you may have as a consumer under any other law which applies to our products.

Our goods come with guarantees that cannot be excluded under the Australian consumer law. You may be entitled to have any failures remedied, goods replaced or refund of the purchase price. You may also be entitled to compensation for any reduction in the value of the goods or damages which were reasonably foreseeable arising from the failure of a product.

DIY Resolutions Pty Ltd provides the following limited warranties to the original purchaser of kaboodle kitchen products.

Visit kaboodle.com.au for the full warranty terms and to register your kaboodle products.

10 year warranty

DIY Resolutions warrants that it will, at its option, repair or replace any cabinet frames, hinge and drawer runners, handles, doors and panels, laminate benchtops, LED lighting, wire baskets and inserts, steel frame shelves, hanging kitchen storage or waste bins that suffer a failure due to a defect in the materials or manufacturing process within ten (10) years from the date of purchase.

5 year warranty

DIY Resolutions warrants that it will, at its option, repair or replace any timber benchtops that suffer a failure due to a defect in the materials or manufacturing process within five (5) years from the date of purchase.

Scan the QR code to register your purchase for peace of mind with our kaboodle product warranty.
