## Things you need to know

- Make sure you leave plumbing and electrical work to qualified trades people. Never try this yourself.
- All holes that aren't already pre-drilled should be drilled prior to screwing using a No 12 countersinking drill bit.
- Make sure you always use safety gear like a mask, ear muffs and glasses when using tools.

### Caring for your kaboodle parts and accessories

Looking after your parts and accessories is really easy and with the right care and maintenance they will last you for many years. Just follow these simple steps and if you need any more information you can contact us us: Australia: **1800 666 078** Monday to Friday between 8:00am and 6:00pm AEST. New Zealand: **0800 522 663** Monday to Friday between 8:00am and 5:00pm NZST or email: [info@kaboodlegroup.com.au](mailto:info@kaboodlegroup.com.au).

Hinges, runners and other parts and accessories should be kept dry at all times.

To keep the mechanisms performing at their best, regularly wipe them with a dry cloth removing any dust and grime that may build up.

We offer a dedicated customer service line for advice or any questions you may have on kaboodle products.
