KITCHEN

Only Available at
BUNNINGS
warehouse

welcome

it's time to select all the items you'll need to bring your new kitchen to life

Now that you've decided exactly what you want your kaboodle kitchen to look like, this guide will help you choose your kitchen cabinets, hardware, accessories, doors, panels and benchtops.

Our four step process is designed to help you through the journey. You'll find our four step device on our packaging and instructions.

If you need a little help, get in touch with us today.

info@kaboodle.co.nz

contents

step 1	choose your cabinets	4, 6, 8, 10
step 2	choose your parts and accessories	5, 7, 9, 11 - 14
step 3	choose your doors and panels	15 - 21
step 4	choose your benchtops	22 - 30

step 1

✓

Now you've got your cabinets your Kaboodle Kitchen is underway!

step 4

Finally, you'll need to grab your benchtops and enjoy bringing your Kaboodle Kitchen to life!

step 2

You've grabbed the parts you need - things like hinges, drawer runners and accessories.

step 3

You've collected your cabinet doors, drawer fronts, panels and kickboards.

finger pull option

note: Finger pull option provides a 20mm overhang (cabinet height will be shortened to allow for this overhang). Only available on medium wall, wall, deep wall, slimline and corner wall cabinets. Order via Special Orders desk.

how it works

Work out how many of each door you need based on your cabinet selections. Enter in the quantity of each item onto the order form to your right, and take it to the Special Orders desk at your local Bunnings Warehouse.

A Bunnings Team Member will process your order with all the codes you need.

Customisable widths are available in all door colours in our modern profile via an extended lead time (usually delivered to store in 4-6 weeks).

*9mm radius length up to 1250mm.

6mm radius, 9mm radius and square edge benchtop profiles are available in either a single roll/edge or double roll/edge.

customisable laminate profiles

Please note, widths and profiles vary depending on the colour, please refer to availability tables for more detail.

single roll v double roll for postformed profiles

Single or double roll refers to when the laminate is rolled over one or two longer sides of a benchtop. Also known as single or double post formed edges. A single roll is used when one of the long sides is visible (the front of the benchtop) and the other is against a wall, whereas a double roll is used when both longer sides are visible, like on an island.

single edge v double edge for square edge profiles

Single or double edge refers to the ABS/PVC strip on one or two longer sides of a square edge laminate benchtop. A single edge is used when one of the long sides is visible (the front of the benchtop) and the other is against a wall, whereas a double edge is used when both longer sides are visible, like on an island.

benchtop considerations

Here's some helpful information to consider when choosing a benchtop that's right for you.

Supporting legs are required when an overhang exceeds 300mm. The maximum distance between each supporting leg should be 800mm.

Gloss laminate benchtops may be susceptible to scratches, refer to our care and maintenance document for more information.

Colour variations may occur with our timber benchtops as they are a natural product.

Grain and patterns on bamboo, timber, timber look and stone look laminate benchtops may not always line up at joins. Take this into consideration when choosing your benchtop and designing your benchtop plan.

Overhang for safety corners needs to be a minimum of 30mm to avoid exposing end panels.

Care & Maintenance. As with any other interior surface, your benchtops should be cleaned regularly. In most cases all you need is a cloth and warm water or a mild detergent; almost all regular household cleaning products can be used. Certain factors and circumstances such as benchtop material and age, as well as the type of stain do require more care. For specific cleaning instructions please visit the product page at kaboodle.co.nz

how to measure for your benchtop

To get started, work out your benchtop requirements and you're ready to start creating your new kitchen.

Check your cabinets are level and square by placing a spirit level on top of your base cabinets. If not, cabinets should be adjusted before proceeding.

Measure the length of your kitchen remembering to include all filler and end panels. It is best to start from a wall and measure outwards. Add 20mm for the overhang or 30mm where safety corners are used.

Measure the depth of your kitchen from the back of the wall to the front of the doors/drawers.

step 4

how to draw your benchtop layout

1. Enter the measurements of your benchtop in one of the pre-set layouts in the order form or simply draw up your kitchen in the personal design area.

legend * overall length (wall to wall)
** benchtop width

3. Mark your corner joins. A corner join between a 600mm and 900mm (or a single postformed edge and a double postformed edge) should always run the width of the 600mm (or single postformed edge) benchtop. Sink or appliance cut outs must be a minimum of 300mm from any benchtop join.

2. Mark on your drawing the location of walls, edge strips, safety corners and postformed edges:

- O postformed edge (refers to the profile of the benchtop e.g. compact radius or square edge)
- W wall
- X edge strip (available on customisable benchtops only)
- / indicates a safety corner (available on customisable benchtops only)

note: Overhang for safety corners needs to be a minimum of 30mm.

4. If you require a straight join, sink or appliance cut outs must be a minimum of 300mm from any benchtop straight join.

5. Label each individual benchtop piece with a letter and work out their length, as shown in the example below.

A = 2130mm
3730mm — 600mm — 1000mm
(overall length) (width of pieces B & C) (width of piece D)

B = 2140mm
C = 2140mm
Two benchtops are required to make up the overall length of 4280mm.

D = 2300mm
Overall length.

how to order a benchtop

important for laminate benchtops

If a benchtop is cut in its length for any reason, you will have affected the length of that benchtop by a minimum of 30mm. This is the tolerance set for all joins and must be considered when calculating the workable/useable length of individual benchtop sections.

6. Take your plan to the Special Orders desk at your local Bunnings Warehouse. A Bunnings Team Member will process your order with all the codes you need.

safety corners

Our safety corners add an extra element of protection for your little ones.

It makes sense that you'll choose a benchtop based on your colour preference and the look you want to achieve, so to help you choose, we've put our benchtops into collections based on their look and style. Whether you're after a stone-look, timber-look or even an actual solid timber, you'll find these and more with options ranging from light to dark to suit your unique style.

Lead times can vary, remember to speak to your Bunnings team member for an accurate delivery estimation.

kaboodle product warranty

kaboodle lifetime advantage

If you install your kaboodle product in a house which you own and is your principal place of residence, DIY NZ Pty Ltd will extend your warranty for as long as your kaboodle product is installed in that house and you continue to own and maintain that house as your principal place of residence. That's the Kaboodle Lifetime Advantage!

- the Kaboodle Lifetime Advantage applies only to cabinet carcasses that suffer a failure in its structural integrity due to a defect in the materials or manufacturing process.
- to make a claim under the Kaboodle Lifetime Advantage warranty, you will also need to provide proof that the house in which the kaboodle product is installed is your principal place of residence.

DIY NZ Pty Ltd provides the following limited warranties to the original purchaser of kaboodle kitchen products.

Visit kaboodle.co.nz for the full warranty terms

10 year warranty

DIY NZ Pty Ltd warrants that it will, at its option, repair or replace any cabinet frames, hinge and drawer runners, handles, doors and panels or laminate benchtops that suffer a failure due to a defect in the materials or manufacturing process within ten (10) years from the date of purchase.

5 year warranty

DIY NZ Pty Ltd warrants that it will, at its option, repair or replace any wire baskets and inserts, steel frame shelves, hanging kitchen storage, waste bins or timber benchtops that suffer a failure due to a defect in the materials or manufacturing process within five (5) years from the date of purchase.

other rights

The benefits provided to you under this warranty are in addition to any other rights or remedies you may have as a consumer under any other law which applies to our products.

Our goods come with guarantees that cannot be excluded under the New Zealand consumer law. You may be entitled to have any failures remedied, goods replaced or refund of the purchase price. You may also be entitled to compensation for any reduction in the value of the goods or damages which were reasonably foreseeable arising from the failure of a product.
