### **Arntz Optibelt Group donates 10,000 euros in support of organisations**

**Höxter, 23 January 2026. The Arntz Optibelt Group demonstrates its ongoing social commitment to the region this year with its support to the tune of 10,000 euros for four social and voluntary organisations. Each organisation will receive 2,500 euros to foster the important work they do.**

“Supporting non-profit and voluntary organisations is an essential element underpinning the responsibility we feel towards the region. The donations this year are in support of the valuable work carried out by the Holzminden-Höxter animal shelter, the AWO workers’ welfare association of Höxter, the Höxter Tisch food bank and the Bad Blankenburg volunteer fire brigade”, explains Regina Arning, Managing Director of the Arntz Optibelt Group.

The organisations located in the communities surrounding the company’s headquarters are dependent on donations. The volunteer fire brigade in Bad Blankenburg, the site of the Optibelt Produktions GmbH, makes a crucial contribution to the safety of the region.

## **About Optibelt**

The Arntz Optibelt Group is one of the leading global manufacturers of high performance drive belts and develops sophisticated drive and product solutions for use in mechanical engineering, the automotive industry, agricultural machinery, household appliances and the medical sector. The family-run company controls nine production sites in seven countries from its headquarters in Höxter and maintains its own logistics and sales centres in Europe, North and South America, Asia, North Africa, Australia and New Zealand. Worldwide more than 2400 employees provide the best possible service, excellent customer proximity and the highest quality and safety standards.
