

# Knowle Grange *Shepley*

**vivly living**

# Fresh air meets *fresh ideas*

Shepley is a charming rural village located on the edge of the Peak District National Park in Yorkshire. It's known for its great schools, welcoming community and beautiful views.

For a location with such an inspiring natural backdrop, Shepley is within surprisingly easy reach of Leeds, Wakefield and Sheffield. The quiet country-side, cultural connections and swift access to the city are the perfect recipe for those who want vibrant lives with plenty of options.

The creativity and community really shine through. You'll see it in the nearby coffee shops, restaurants and independent businesses that show how Shepley's mix of fresh air and fresh ideas has a history of attracting people who are passionate about living life to the full.

Shepley's natural landscape is some of Yorkshire's finest, with winding country roads and rolling green hills. These fantastic views, alongside historic buildings and traditional architecture, combine to create the picture-postcard scenery that so many people fall in love with.

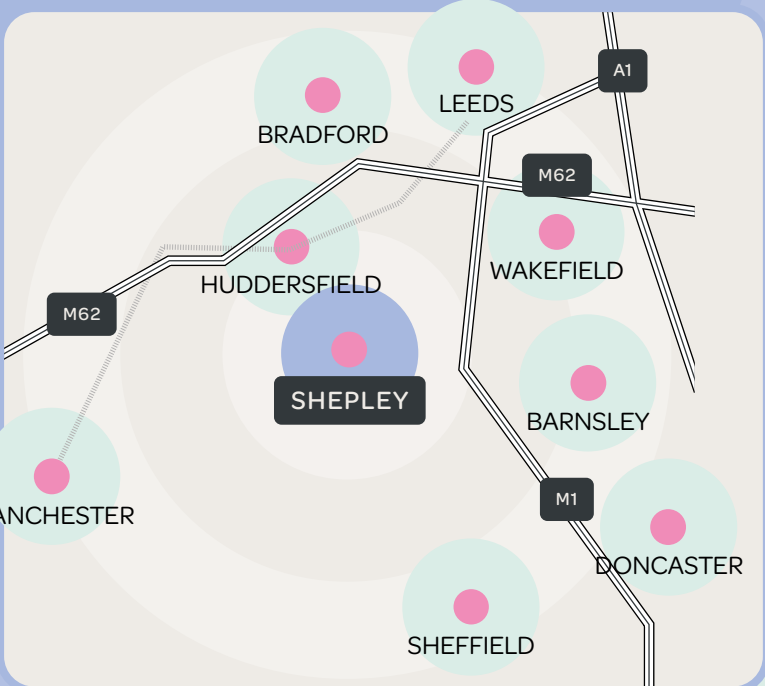

# Beyond the front door

When people are deciding on a new home, it's important they go beyond our beautiful front doors and imagine what life would be like. Shepley has an ideal mix of local pubs, cafés and amenities. So, whether it's catch-ups over coffee, relaxed Sunday lunches, staying in shape or keeping the fridge stocked, Shepley really does have it all, right on the doorstep.

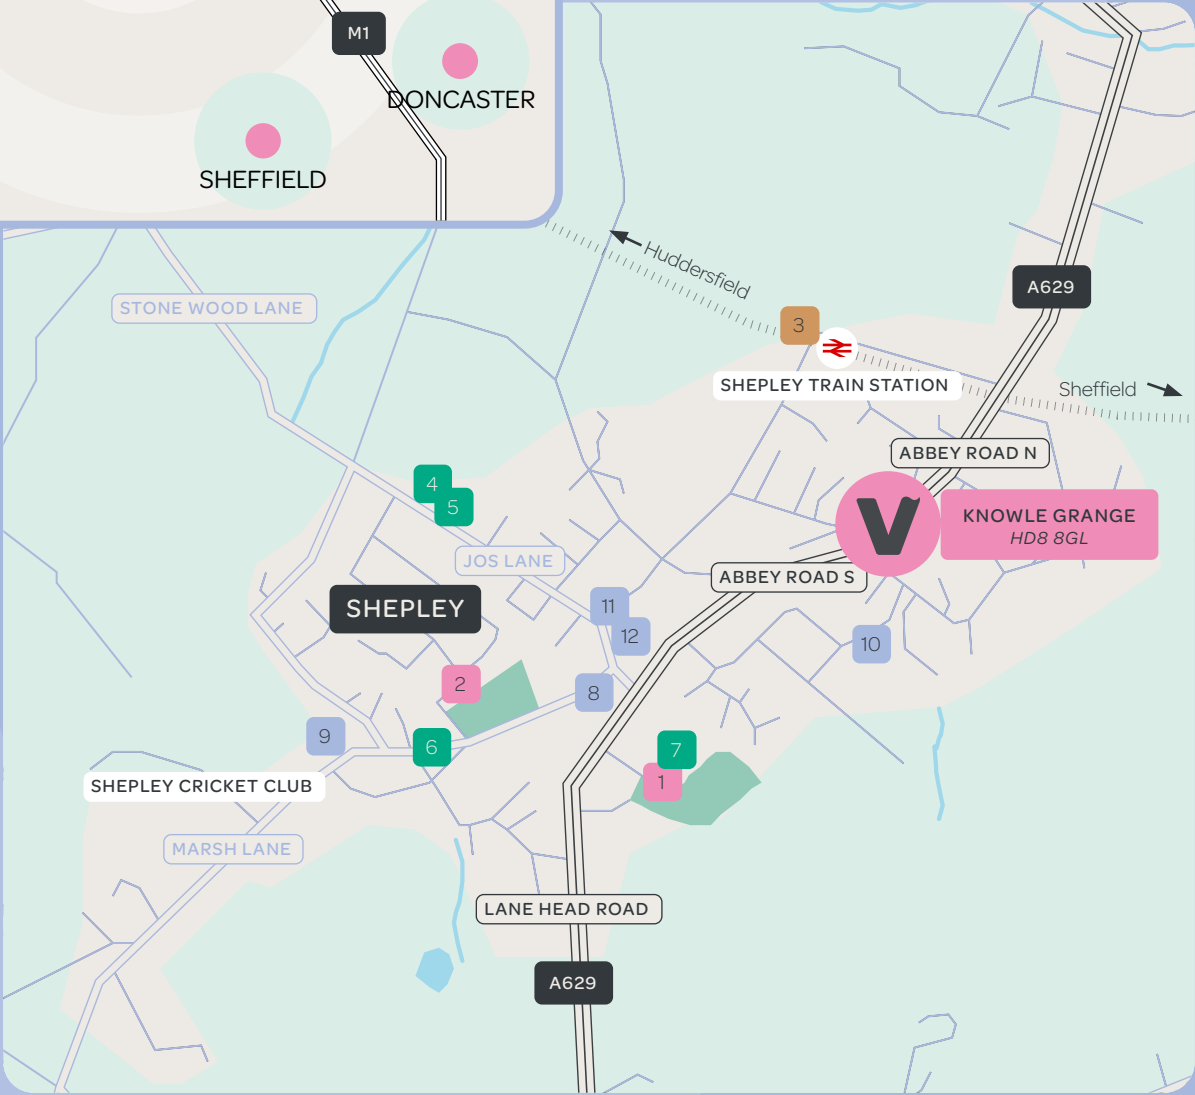

Shepley First School is only 0.4 miles away from Knowle Grange. It's a charming and well-loved primary school. But don't take our word for it.

The most recent Ofsted inspection rated it 'Good' and described it as "... the heart of the local community. There is a real sense of belonging and togetherness from the pupils, staff, parents and the governing body. The school wants the very best for every pupil. Their motto of 'Being the best that we can be' accurately captures the ambition of this caring school community."

Dogwood  
3 Bedroom

Plots:  
40/41

The Dogwood is a generously designed three-bedroom home with light, open rooms and flexible, useful spaces.

A wide entrance hall leads naturally into an impressive kitchen and out through French doors onto the terrace and garden. Dual aspect windows at the front and the rear combine with this natural flow to make a home that's light, airy and naturally calm.

Downstairs includes a utility room that's ideal for muddy walking boots or even muddier sports kits. Upstairs there are

two comfortably sized double-bedrooms and a third versatile single, which could make an ideal nursery, office or hobby-space. The efficiency of an A rating, air source heat pump, low carbon footprint and solar PV panels also make The Dogwood a smart and sustainable choice.

Outside, the natural tumbled stone, traditional double-front, single garage and garden borders give the Dogwood impressive curb-appeal that will be a welcome sight every time you come home.
