The ACEIP is designed to accelerate Axon's development of technology, such as building and supporting automated features, aiming to increase safety within communities and efficiency in public safety. Axon may make limited use of Customer Content from participating customers to develop, improve, and support current and future Axon products (collectively, "ACEIP Purposes"). ACEIP has 2 modes of participation, Basic and Custom. Customer is enrolled in ACEIP Basic by default. If Customer does not want to participate in ACEIP Basic, ACEIP Custom, or both, Customer can revoke its consent at any time via email to aceip@axon.com.
