SUSAN SMITH

CV

123 Daisy Lane, Dallas, Texas 75403 (681) 204 7100 example@cvmaker.com

Compassionate and Engaging Registered Nurse with 5-years of experience seeking to share my passion for healthcare with a hospital or patient care center in the Dallas / Ft Worth metro area. Exceptional crisis management, emergency room care, and communication skills. Current certifications to serve as a Registered Nurse in The State of Texas, Basic Life Support (BLS), and Emergency Room care. Dedicated to respecting patient privacy rights, while engaging with them and family members in a compassionate manner.

WORK EXPERIENCE

Emergency Room - Staff RN Aug 2016

DFW General Hospital, Dallas, Texas

Provided emergency nursing care at DFW General Hospital's Level 1 trauma center in Dallas, serving a diverse patient population with volumes often exceeding 50.

- Triaged patients based on clinical urgency and care needs.
- Delivered individualized care and monitored patients throughout treatment.
- Administered medications in line with Texas regulations.

Clinical Practicum – Nursing Jun 2014 - Jul 2016

Metro General Hospital, Ft Worth, Texas

Completed an 18-month RN clinical practicum with 960 hours of supervised hospital experience.

- Supported patient assessments, care planning, emergency procedures, IV infusions, blood transfusions, and oxygen therapy.
- Assisted with diagnostic testing, communicated treatment updates under supervision, and applied feedback to improve clinical practice.
