Work Experience

5th Grade General Education Teacher

Aug 2016 - Present

Frank Lloyd Webber Elementary - Scottsdale, Arizona

Current 5th grade teacher of a highly diverse group of 30 students. Responsible for lesson planning, classroom management, and developing online education during a global pandemic.

- Developed classroom management, lesson planning, and examination procedures based on State of Arizona educational guidelines.
- Created annual lesson curriculum that resulted in a 100% pass ratio for three consecutive years. Prepared extra- curricular activities that permitted students to engage in local culture and their community.
- Challenged students to exceed their educational goals through positive interaction and motivation.
- Designed audio- visual resources to help students retain information in a virtual learning environment.
- Created a new online website to publish blogs, video, and lesson planning charts for students and parents to access.
- Set up student teacher conferences and created weekly email communication with parents and guardians.
- Eclipsed Maricopa County School District standards for 5th grade four consecutive years.

Special Education Assistant

Sep 2012 - Jun 2015

Jones Special Education Center - Mesa, Arizona

Joined the special education team at Jones SEC during my second year at Arizona State University. Supervised 4 and 5- year- old children with daily duties including:

- Supervising and interacting with children.
- Provided first aid to children as needed for minor incidents.
- Monitored students and inspired them to stay focused on tasks. Worked with students to develop interpersonal skills.
- Communicated with parents and guardians daily.
- Collaborated with educators to create educational exercises. Engaged with students, parents, and other team members. Helped organize activities - both onsite and abroad.
- Served breakfast, lunch, and snacks to children.
- Taught teamwork and conflict resolution.
