Dear Hiring Manager,

I am writing to express my interest in the Architect position at Urban Design Solutions, as advertised on LinkedIn. As a recent graduate with a Bachelor's degree in Architecture, my academic journey has equipped me with a solid foundation in design principles, spatial planning, and proficiency in industry-standard software.

Coupled with my internship experience, my coursework involved hands-on projects that allowed me to apply theoretical knowledge to practical design challenges. Through these experiences, I have honed my skills in drafting, 3D modelling, and collaborative problem-solving.

In addition to my academic qualifications, I've actively participated in design competitions and extracurricular activities that highlight my passion for innovative architecture. These experiences have nurtured my creativity, attention to detail, and ability to thrive in a team-oriented environment.

I am drawn to Urban Design Solutions for its commitment to cutting-edge design practices, and I am eager to contribute my enthusiasm, fresh perspective, and eagerness to learn to your esteemed team.

Thank you for considering my application. I look forward to the opportunity to discuss how my academic background and passion for architecture align with the goals of Urban Design Solutions.

Sincerely,

Brandon Russell
