- Infection Prevention & Control, NHS e-Learning, 2023

VOLUNTEER WORK

Volunteer at Elderly Care Home, Community Care Centre, Sheffield | 2024 - 2025

Provided daily support to elderly residents, assisting with personal care, meals, and mobility needs while promoting dignity and independence. Built strong rapport through companionship and emotional support, encouraging residents' social engagement and wellbeing. Worked collaboratively with healthcare professionals to maintain a safe and comfortable environment, while also helping to plan and deliver recreational activities that enhanced residents' quality of life.

- Received positive feedback from residents and staff for facilitating engaging workshops and activities.
- Recognised for contributing to a welcoming and supportive environment that improved residents' overall satisfaction.
