Application: Real Estate Agent Position at Savills

Dear Hiring Manager,

I am writing to express my interest in the Real Estate Agent position at Savills. With over 5 years of experience in the UK property sector and a strong track record in both residential and commercial transactions, I am excited by the opportunity to contribute to a firm known for its market leadership, heritage, and client-first philosophy.

In my current role at Johnson Property in London, I lead a team of junior agents and have been instrumental in driving a 25% increase in commercial property sales within our region. Beyond sales performance, I've focused on elevating client experience, achieving a 95% satisfaction rate and earning the 'Agent of the Year' award for three consecutive years. Prior to this, my work at Right Property in Manchester sharpened my ability to blend data-led market research with creative marketing strategies to boost engagement and drive successful viewings.

What draws me to Savills is your unique position at the intersection of tradition and innovation. I admire your global reach paired with local expertise, and I am particularly inspired by your emphasis on professional development and advisory excellence. I see this as a perfect environment to grow alongside a brand that values analytical rigour, collaboration, and long-term client relationships.

I would welcome the opportunity to bring my energy, leadership, and market insight to Savills and contribute to your continued success. Thank you for considering my application.

Sincerely,
Deniz Yıldız
