Dear Mr. Withers,

I am writing to express my strong interest in the Project Manager position at Probe Data. I was excited to learn about this opportunity through my former colleague, Andreas Kühne, as I have always been impressed by your commitment to innovation and excellence. With a proven track record as a Project Management Professional (PMP) and over ten years of experience, I am confident in my ability to contribute effectively to your team.

Throughout my career, I have demonstrated my skills in planning, leading, and managing the completion of projects from initiation to closure. My goal is always to deliver projects on time and within budget, which aligns perfectly with the values and expectations of Probe Data. I have successfully overseen diverse projects, ensuring they meet and even exceed stakeholder expectations.

My proficiency in project scoping, scheduling, risk mitigation, quality control, and resource management has consistently resulted in successful project delivery. I understand the importance of aligning project objectives with organisational goals.

I take pride in my strong leadership qualities that enable me to motivate and guide cross-functional teams toward common goals. I am comfortable navigating complex project requirements and adapting strategies to tackle evolving challenges. My focus on fostering collaboration and open communication has been instrumental in maintaining positive team dynamics.

I am excited about the opportunity to bring my expertise to Probe Data. I look forward to the possibility of meeting with you to further discuss how my skills can contribute to your company's continued success and growth. I am available at your earliest convenience for an interview, and you can reach me by phone at +36601234567

Thank you for considering my application. I have attached my CV for your reference.

Sincerely,

Anna Kovács
