Expression of Interest – Future Teaching Opportunities

Dear Headteacher,

I hope you are well. My name is Sarah Thompson, and I am a qualified primary school teacher with three years' experience delivering creative, pupil-centred learning. I have long admired the work Carr Manor Community School does to promote inclusive education, and I would be very interested in being considered for any future teaching vacancies.

I am particularly drawn to your focus on pastoral development and collaborative teaching. I would welcome the opportunity to contribute to your team and support pupils in achieving their full potential.

Please find my CV attached. I would be grateful to discuss any potential opportunities if they arise.

Kind regards,
Sarah Thompson
