Kathy Smith

Passionate and detail-oriented Middle School Math Teacher dedicated to establishing a positive and interactive learning environment. Adapt at embracing a diverse group of students with different levels of mathematic skills, including Algebra and Geometry, with a unique ability to fine-tune lesson planning, classroom management, and instruction to eclipse curriculum standards. A strong capacity for embracing cultural diversity, creative problem solving, and conflict management – to establish a warm and welcoming relationship with students.

Work experience

Middle School Math Teacher
Jul 2017 - Present

East Columbia Middle School, Dallas, Texas

- Taught 90 seventh grade students Pre-Algebra with multiple cultural backgrounds in an engaging classroom environment.
- Developed Algebra lesson planning, quiz, and examination procedures.
- Created after school tutorial program - both onsite and online for easy student access.
- Developed audio-visual resources to help students enhance problem solving skills.
- Created a one-year lesson curriculum that resulted in a 100% pass ratio.
- Maintained a positive learning environment during a global pandemic.

Student Teaching
Aug 2016 - Jun 2017

Ft. Worth Middle School, Ft. Worth, Texas
