Application: Midwife position at The Princess Alexandra Hospital NHS Trust

Dear Hiring Manager,

I am writing to apply for the Midwife position at The Princess Alexandra Hospital NHS Trust. As a recent graduate in Midwifery, based in Harlow, I am eager to begin my professional career within a Trust that is well-regarded for its commitment to safe, compassionate, and patient-centred maternity care.

During my training, I gained hands-on experience in antenatal clinics, labour and delivery suites, and postnatal wards. These placements allowed me to work alongside experienced midwives, where I developed essential skills in patient assessment, labour support, and health education. I particularly enjoyed supporting women during labour, ensuring their voices were heard and their choices respected. While I am at the beginning of my career, I am confident in my ability to apply evidence-based practices, communicate effectively with mothers and their families, and provide empathetic care even in high-pressure situations.

What draws me most to The Princess Alexandra Hospital NHS Trust is the focus on continuous improvement and professional development. I am keen to grow my skills in managing high-risk pregnancies, broadening my knowledge of community midwifery, and contributing to initiatives that improve outcomes for women and newborns across Essex and Hertfordshire.

I would welcome the opportunity to bring my enthusiasm, commitment to learning, and passion for supporting families to your maternity team. Thank you for considering my application, and I look forward to the chance to discuss how I can contribute to The Princess Alexandra Hospital NHS Trust.

Sincerely,
Martha Wallace
