Work experience

Student Hairdresser

Stockport College

2023 – Present
Manchester

Support senior stylists and tutors during workshops and practical sessions, gaining hands-on experience in core hairdressing techniques including shampooing, blow-drying, and basic styling. Assist with preparing and maintaining salon stations, ensuring a clean, organised, and welcoming environment for clients and models. Participate in client consultations to understand preferences and practise delivering tailored recommendations under supervision. Contribute to the planning and execution of college fashion events and photoshoots, demonstrating creativity, teamwork, and attention to detail.

- Contributed to the successful styling of models for college fashion events, receiving positive feedback for creativity and professionalism.
- Completed additional workshops in colouring and styling techniques, strengthening practical skills beyond the standard course requirements.

Education

Advanced Hair and Beauty Techniques Diploma, Stockport College, Manchester, 2023 – Present

Courses & certificates

- Advanced Balayage & Colour Techniques, L'Oréal Professional Academy, 2025
- Precision Cutting Masterclass, Vidal Sassoon Academy, 2025
- Bridal & Occasion Hair Styling Workshop, Wella Professionals, 2024

Personal profile

Aspiring hairdresser with a strong passion for fashion, beauty, and the latest hair trends. Currently studying Fashion and Beauty at Stockport College, developing a solid foundation in hairdressing techniques, styling, and client care. Known for creativity, attention to detail, and a willingness to learn. Eager to bring a positive attitude and dedication to a salon environment and grow into a professional stylist.
