Dear Hiring Manager,

I am writing to express my interest in the Teaching Assistant position at Redditch Academy. As a recent education graduate, I have developed a strong foundation in classroom support, lesson preparation, and inclusive learning through training placements and voluntary experience. I am keen to begin my career in a school environment that values pupil wellbeing and positive learning outcomes.

During my placements, I supported small-group learning and differentiated tasks, helping pupils remain focused and complete activities within lesson time. I worked closely with pupils requiring additional support, adapting my communication style and instructions to suit individual needs. This strengthened my organisation, classroom awareness, and ability to work collaboratively with teachers while maintaining consistent routines and safeguarding standards.

I am confident in working collaboratively with teaching and support staff, and bring strong organisational skills, reliability, and a reflective approach to my practice. I am motivated to continue developing my skills and would welcome the opportunity to contribute my enthusiasm and commitment to learning at Redditch Academy.

Yours sincerely,
Shauny Peters
