**RE: AI Business Analyst position, ID: MELI-BA-772**

Dear Ms. López,

I am writing to express my interest in the AI Business Analyst position at Mercado Libre, a role published on LinkedIn. I am particularly drawn to the combination of analysis and digital transformation that this role offers, as well as the opportunity to collaborate with multidisciplinary teams. I also value Mercado Libre's commitment to innovation and data-driven transformation, elements that align with my professional interests and the type of environment in which I perform best.

In my recent roles, I have worked on process analysis, documentation, and improvement, supporting decision-making through structured data review and clear reporting. I have collaborated with technical and business teams to clarify requirements, identify inefficiencies, and ensure alignment throughout the project lifecycle. My experience in remote and multicultural teams has strengthened my adaptability and my ability to maintain clear communication with all stakeholders involved.

Thank you for considering my application. I would welcome the opportunity to discuss how my experience and skills align with the role's objectives. I have attached my CV for your review.

Yours sincerely,
Andrea Castillo
