SKILLS

- Basic knowledge of electrical installation and wiring
- Awareness of safety protocols on-site
- Hands-on skills with tools and equipment
- Problem-solving abilities
- Effective teamwork and communication
- Reliable, punctual, and organised
- High attention to detail in maintaining safe work environments

ADDITIONAL INFORMATION

- Full UK Driving Licence
- Willing to travel for work and training
- Enthusiastic about progressing into industrial and commercial electrical roles

Motivated and safety-conscious school leaver with a strong interest in pursuing a career as an electrician. Recently gained hands-on experience as a part-time tradesperson, supporting skilled professionals on a construction site. Possesses solid foundations in electrical installation, teamwork, and site safety, with a proven ability to learn quickly and adapt to practical environments. Eager to bring strong problem-solving abilities, attention to detail, and enthusiasm to an apprenticeship electrician role or entry-level opportunity.

WORK EXPERIENCE

Part-time tradesperson | Giels Construction, London | 2021 - 2022

Assisted on a small construction site, gaining hands-on experience in various aspects of the building process while developing practical skills and a strong work ethic. Contributed to multiple tasks that supported the efficiency and safety of the site, while working collaboratively with the team.

- Assisted skilled tradespeople in transporting materials and preparing tools, ensuring smooth site operations.
- Maintained a clean and organised workspace, contributing to a safe and efficient working environment.

EDUCATION

Level 2 Diploma in Electrical Installation (City & Guilds 2365)
City of Westminster College, London, 2022

10 GCSEs with grades A–C, including English and Mathematics,
King Solomon Academy, London, 2020

COURSES & CERTIFICATES

- EAL Level 2 Award in Electrical Installation Principles – 2022
- CSCS Labourer Card (Health, Safety & Environment Test) – 2021
- First Aid at Work Certificate – 2021
