Composition of Course and Delivery Methods

Postgraduate masters courses at Leeds Arts University are delivered and supported through a range of teaching and learning strategies. Courses are made up of modules, these are elements of study that are taught and assessed separately. Each module carries a clearly identified credit value, the accumulation of which will allow you to achieve the qualification.

Staff, with postgraduate expertise in their particular fields, give individual advice and guidance. Students are encouraged to forge links within industry or a community of practice which has relevance to a specific market or audience.

For more information about postgraduate fees and finance [click here](#).

Other Costs:

Other costs that need to be considered are those associated with the student's project. An MA Creative Practice student must consider the costs of materials, space, processing services and equipment that are required to fulfil their proposed objectives.

Additional resource costs are estimated to be in the region of £250-300. However, some students may spend less or more depending on their actual project. Financial planning is an important aspect of being a creative practitioner.
