Entry Requirements
You must have a minimum of an undergraduate UK honours degree or international equivalent in a subject related to your proposed course of study or; a degree-equivalent postgraduate diploma/professional qualification. You will also need one reference to support your application from an academic or a creative practitioner and a personal statement outlining your intentions for postgraduate study. Entry may be possible through a Recognition of Prior Learning (RPL) route.

Leeds Arts University will accept IELTS (International English Language Testing System) with a minimum overall score of 6.0, with no individual component below 5.5, as being the minimum acceptable level for English Language proficiency. Comparable English Language Tests may also be considered and further information is available on the Home Office website.

For further information on entry requirements click here.

Modules of Study
Core Modules: Visualising Research; Business Planning; The Dissertation; Research Methods; Digital Marketing
Course Specific Modules: Research for Practice; Practice Development; Practice Resolution
Postgraduate masters courses at Leeds Arts University are delivered and supported through a range of teaching and learning strategies. Courses are made up of modules, these are elements of study that are taught and assessed separately. Each module carries a clearly identified credit value, the accumulation of which will allow you to achieve the qualification.

Staff, with postgraduate expertise in their particular fields, give individual advice and guidance. Students are encouraged to forge links within industry or a community of practice which has relevance to a specific market or audience.

International Graduates of the University (alumni discount) - £15,250

For more information about postgraduate fees and finance [click here].

Other Costs:
Other costs that need to be considered are those associated with the student’s project. An MA Creative Practice student must consider the costs of materials, space, processing services and equipment that are required to fulfil their proposed objectives.

Additional resource costs are estimated to be in the region of £250-300. However, some students may spend less or more depending on their actual project. Financial planning is an important aspect of being a creative practitioner.
