Work Empowers Women

**Put Equality to Work This
International Women's Day**

Bring SisterWorks to your workplace and create real economic opportunity for women facing barriers to employment.

Who Are We

Empowering Women through Employment, Entrepreneurship, and Social Inclusion

SisterWorks is a not-for-profit social enterprise driving economic independence for migrant, refugee, and asylum-seeker women through entrepreneurship and community connection. We believe every woman deserves the opportunity to thrive, and we're relentless in delivering the skills, confidence, and networks that turn ambition into reality.

Through job readiness, mentorship, and a thriving marketplace, we equip women to launch businesses or secure meaningful employment. Our core values—respect, inclusion, and empowerment—break down barriers and unlock potential, driving women to lead in the workforce and their communities.

Partner with SisterWorks this International Women's Day

This International Women's Day, we invite you to join SisterWorks in empowering women from migrant, refugee, and asylum-seeker backgrounds to create lasting social change. Partnering with us means not only celebrating women's achievements but also actively contributing to their economic independence and personal growth.

Our Impact

SisterWorks creates meaningful change in the lives of women from migrant, refugee, and asylum-seeker backgrounds through economic empowerment, community connection, and opportunities for growth.

Choose Your IWD Impact

International Women's Day is a chance to turn intention into impact. Our IWD experiences are designed to create real economic opportunity for women from migrant and refugee backgrounds while delivering meaningful, engaging moments for your workplace.

From powerful storytelling and hands-on workshops to pop-up markets and catering that creates paid work, each option supports women to earn an income, build confidence, and move forward through employment. Choose the experience that fits your workplace and make your IWD count where it matters most.

Speaking Engagement

BOOK NOW

Inspire Your Team this International Women's Day

Launch your celebration with a powerful session from two inspiring speakers at SisterWorks. A Senior Leadership member will open with a compelling address on women's empowerment and the vital work SisterWorks is doing to drive social change. Then, hear firsthand stories of resilience as our Sisters share their journeys to Australia, the challenges they've overcome, and how they've turned adversity into empowerment. The session wraps with an interactive Q&A, offering your audience a chance to connect with our speakers and gain deeper insights into the experiences of migrant, refugee, and asylum-seeker women.

Diverse Journeys, Powerful Stories

Each Sister's story reflects the strength and resilience required to overcome adversity, showcasing the progress women can make when given the opportunity. These journeys embody the spirit of March Forward, turning promises of empowerment into real change.
