

Landscape & Surface Materials

Each material has its own specific characteristics. Some materials are better suited for certain kitchen applications – such as worktops, splashbacks, floors or tables – than others. This choice depends on individual needs and preferences.

	GRANITE	QUARTZITE	DOLOMITE MARBLE	MARBLE	LIMETONE - OPEN PORES	LIMESTONE - FILLED	QUARTZ UNISTONE® - BGS®	PORCELAIN UNICERAMICA®	MARBLE COMPOSITE UNIMARBLE® (not for kitchens)	TERRAZZO
