

Scotland Water Terms and Conditions

1. Introduction

1.1. This document sets out the terms and conditions that will apply if we supply your business with any or all of the following services: Water, Foul Waste Water, Property Drainage or Trade Effluent. These terms and conditions will apply whether you entered into an oral Contract with us over the phone or a written Contract, or where you are a Deemed Customer.

1.2. We have explained the meaning of capitalised words used in these conditions in clause 20 ("Interpreting this Contract").

1.3. You understand and agree that the Contract is legally binding (whether entered into by you or somebody acting on your behalf) and you must comply with the obligations and responsibilities placed on you by the Contract. If you do not, we may take legal action against you.

1.4. Nothing in this Contract will affect your rights which arise from the minimum requirements put on us by the conditions of our Supply Licence.

2. Before we supply you with the Service

2.1. We agree to supply you with the Service on the basis that:

- a. you have the authority to enter into the Contract, and you are the owner or occupier of the Site;
- b. on the date we are due to start providing the Service under this Contract, you have no contract with, or obligation to, another supplier for any or all of the following: Water, Foul Waste Water, Property Drainage or Trade Effluent which will prevent us from becoming the Responsible Supplier. You are aware that in terminating any such contract you may be charged an early termination fee by the other supplier;
- c. you confirm that you will use the Service we supply entirely or mainly for business purposes, and not for domestic purposes;
- d. you will provide us with a meter reading, or allow us access to the Site to obtain a meter reading, and you consent to us liaising with your previous supplier, or other industry parties, to obtain information we reasonably require to carry out the transfer of the Service or commence supplying the Service to any Site. If requested, you will provide us with a Letter of Authority to enable us to carry out the above;
- e. if requested, you will provide us with a deposit for supply of the Service and/or a Direct Debit form;
- f. you agree that we may carry out a credit reference search against you if we think it is appropriate or necessary.

2.2. We will only be obliged to supply you with the Service if:

- a. you have met the conditions set out in clause 2.1;
- b. we are allowed to supply you under the terms of our Supply Licence;
- c. we have been able to identify the Site and SPID;
- d. the results of any credit reference search carried out on you are acceptable to us;
- e. we are able to register as the Responsible Supplier to each SPID.

3. Becoming and remaining your supplier

3.1. The Contract is binding on you and us from the date it is entered into, but we will only start to supply the Service to the Site from the date on which we become the Responsible Supplier.

3.2. We will normally start to supply part or all of the Service within 28 days of the date you enter into the Contract, unless:

- a. we agree otherwise;
- b. your current supplier prevents the transfer;
- c. we do not receive all the necessary information required to complete the transfer; or
- d. we are required to arrange a new connection.

3.3. You must do all that you reasonably can to help us become the Responsible Supplier, which may include providing us with information or contacting your previous supplier if we ask you to do so.

3.4. If we are not able to become the Responsible Supplier for any of the reasons set out in clause 3.2, we will try to become your supplier within 28 days of the date that the final reason for the delay has been resolved.

3.5. We will not be responsible for any losses caused by any delay or failure in us becoming the Responsible Supplier for reasons which are beyond our reasonable control.

3.6. Once we have become the Responsible Supplier, we will be entitled to stop you from transferring the Service at the Site to which this Contract applies to if:

- a. we reasonably believe the transfer is erroneous;
- b. you fail to pay any amount payable by you under the Contract and such amount(s) remain unpaid for more than 90 days; or
- c. we have begun the process of disconnecting the Service.

3.7. If you transfer the Service to a new supplier even though clauses 3.6 (a), 3.6 (b) or 3.6 (c) apply, you will not be relieved from your obligations to pay us any sums due under the Contract.

4. Service

4.1. We will provide the Service to you on the terms set out in the Contract. We or the Network Operator may vary the Service at any time for technical, operational or other reasons. Where we vary the Service, we will try to give you notice of this where reasonably possible. Where the Network Operator varies the Service, we will notify you within a reasonable time after being informed by the Network Operator of the variation.

4.2. We reserve the right not to provide the Service where it cannot reasonably be provided due to any geographic, practical, regulatory or technical issues, or any other issue outside of our reasonable control. Where we are unable to provide the Service, or where there is a delay in providing the Service, we shall not be liable for any delay or failure which results from events, circumstances or causes beyond our reasonable control.

5. Length of the Contract

5.1. This Contract will continue for at least the Fixed Term unless it ends earlier in accordance with clause 13.

5.2. The Fixed Term will begin on the date we become the Responsible Supplier and start to provide the Service. We will write to you to confirm both the Contract start date and the date on which we become the Responsible Supplier.

5.3. Unless the Contract ends earlier in accordance with clause 13:

- a. following the expiry of the Fixed Term, the Contract will automatically renew for a further Fixed Term of 1 year (the "Renewal Period"); and
- b. at the end of the first Renewal Period, the Contract will automatically renew for a further Renewal Period and will continue to renew every 1 year after that.

6. Deemed Customers

6.1. This clause only applies to Deemed Customers.

6.2. The following clauses of the Contract do not apply to you if you are a Deemed Customer: 2.1, 2.2, 3.2, 5, 9.7(a), 9.9, 13.1, 13.2 and 13.3, 13.4 and 13.9. The remainder of these terms and conditions will apply, as long as they do not conflict with anything in this clause 6, until you either enter into a formal Contract with us or you transfer the Service to another supplier.

6.3. Unless we agree otherwise with you we will calculate Charges for the Service supplied to you in accordance with clause 8 from the following dates:

- a. if you are a Deemed Customer because the Site is a Gap Site, we will calculate Charges from the date we become the Responsible Supplier for the Site;
- b. if you are a Deemed Customer because you are the new occupier or owner at the Site and we are the existing Responsible Supplier, we will calculate Charges from the date you became responsible for the Site; or
- c. if you are a Deemed Customer because we have been appointed as your Provider of First Resort or Provider of Last Resort, we will calculate Charges from the date provided in the notice from the Regulator to us informing us of our appointment.

6.4. As a Deemed Customer, you will be charged for the Service using our Default Tariff, unless we agree otherwise with you.

6.5. As a Deemed Customer, you can end the Contract at any time by transferring away, unless the Service has been temporarily transferred to the Network Operator in accordance with clause 15 or clauses 3.6(b) or 3.6(c) apply. You remain liable for all charges during the period you were with us.

7. Your obligations during the Contract

7.1. You must pay us for the Service we supply as set out in clause 9.

7.2. If you become aware that you may significantly increase usage at a Site, you must tell us at soon as reasonably possible after becoming aware that you will significantly increase usage.

7.3. You agree and undertake:

- a. that you are responsible for the usage of the Service, whether authorised by you or not. You also agree that we are not obliged to monitor the level of Water, Foul Waste Water, Property Drainage usage forming part of the Service and/or to report unusual usage patterns;
- b. to comply with any obligations placed on you by this Contract, any regulatory conditions and other laws, licences, conditions, codes, regulations and Trade Effluent Consents (as issued by the Environment Agency) relevant to the provision or use of the Service, including the Network Operator Byelaws;
- c. to remain responsible for all pipes and apparatus required to provide the Service that are situated beyond the Point of Demarcation and, where necessary or required by us, to employ a qualified plumber or engineer at your own cost to rectify or repair any pipes

and apparatus required to provide the Service, including any interior or exterior building work necessary to ensure that any meter is accessible;

d. to use only Customer Equipment that is in good working order, is maintained competently, is compatible with the Service and complies with all relevant technical standards, legislation and regulation relating to its use;

e. to permit the Network Operator (at the Network Operator's expense) to install, operate, renew and maintain any Equipment including but not limited to pipes and/or meters to transport measure and control Water before the Point of Demarcation, all of which shall remain in the ownership of the Network Operator. You give us permission to organise this on your behalf;

f. to give us 30 days' notice of any changes in your circumstances or personal details including change of address, consent for Trade Effluent changes, adjustment in Rateable Value due to changes in the Site, and property eligibility changes;

g. to allow us or our agents access to the Site for the purposes of installation, maintenance, disconnection or inspection of Equipment, meter reading or meter testing;

h. where the property is rented by you, to provide us with your landlord's details prior to vacating the Site and upon vacating the Site evidence to our satisfaction that you no longer occupy the Site, otherwise you may remain liable for any charges incurred;

i. where you are the owner of the Site, to inform us of any change in occupancy at the Site, including where the site becomes Vacant. You will remain liable for any Charges incurred whilst the Site is Vacant.

8. Measuring or estimating your Service usage

8.1. If the Site contains a meter measuring the Water supplied under the Service, we will use the reading shown on the meter to calculate Usage Charges under this Contract, unless that meter is found to be inaccurate.

8.2. Where a meter is installed but a reading is unavailable, we will use an estimate based on consumption market data to calculate your Usage Charges.

8.3. Return to Sewer Allowance will be assumed to be 95% of the Water measured entering into the Site unless proven otherwise to the satisfaction of the Network Operator. This Clause does not affect any other rights or remedies we have under this Contract.

8.4. Property Drainage will be calculated according to the Rateable Value of the Site. Further information on this can be found at www.saa.gov.uk.

8.5. If you believe that the meter at any Site is inaccurate, you can ask us to verify the meter readings for accuracy:

a. if the tests to verify the meter show that the meter is measuring accurately, the costs of the verification will be payable by you;

b. if the tests to verify the meter show that the meter is measuring inaccurately, then we will adjust the Usage Charges in relation to that meter from the penultimate date on which the meter was last read (apart from the verification tests) and the amount of money due from us to you, or from you to us, will be reflected in our invoices to you;

c. if the meter is proved to have begun measuring inaccurately on a different date to that set out in clause 8.5 (b) above, we will liaise with you to resolve this.

8.6. If there is no meter at the Site, the Service we supply will be measured using the Rateable

Value or assessed usage for the Site using methodology set by the Network Operator.

8.7. If a data logger is installed privately at the Site, you must tell us immediately. You accept liability for the meter, and any charges which result from damage to the meter or any Equipment incurred during the installation of the data logger.

8.8. The meter remains the property and responsibility of the Network Operator throughout the time the meter is installed.

8.9. Any private meter installed at the Site will be your responsibility to maintain and any consumption recorded by the meter must be verified, at your expense, if we require you to do so.

9. Charges

9.1. You agree to pay Verastar Limited, our billing agent, the Charges for the Service we supply to you (whether estimated or measured). We are members of the Verastar group.

9.2. Unless otherwise agreed, Verastar Limited will send you an invoice with Charges for the relevant period by pre-paid post or e-billing. You will be billed either in advance or in arrears as detailed on your Tariff or as otherwise notified.

9.3. Any Charges stated are exclusive of any applicable tax (including VAT), duty or levy, which will be added to sums due to us as appropriate at the prevailing rate. You will be charged VAT at the standard rate unless we receive a declaration from you that the Service should be "zero rated" as defined by HMRC. You can find more information about this at clearbusiness.co.uk/help-and-support/resources/vat-declaration.

9.4. If the Return to Sewer Allowance is changed during the Fixed Term or Renewal Period we reserve the right to change the Tariff in accordance with clause 12.

9.5. You will only be invoiced for the Services you have used in the last 24 months, unless:

a. The bill was sent prior to 30 April 2025; or

b. We have previously sent a compliant invoice and we are seeking payment for previously invoiced charges; or

c. You behave in an obstructive or manifestly unreasonable way (for example, you do not allow us access to your meter); or

d. We have been invoiced by the Network Operator for a period beyond 24 months and are seeking to recover these charges in the same proportion to that which we have been charged;

e. You have failed to inform us of a change of occupancy at the Site, including where the Site becomes Vacant; or

f. Any other circumstances as specified by the Regulator.

9.6. Where clause 9.5(c), (d) or (e) applies, you will only be invoiced for the Services you have used in the last 5 years.

9.7. You will pay the Charges and any other sum set out in each invoice to Verastar Limited:

a. by Direct Debit (unless otherwise agreed); and

b. in accordance with the advance notice given on your invoice, or, if no time limit is given, by the Due Date. Payment to Verastar Limited is a good and sufficient discharge of the debt.

9.8. If you do not pay all Charges by the Due Date, you may be charged interest and fixed-sum charges (which vary depending on how much you owe) at the levels set out in the Late Payment of Commercial Debts (Interest) Act 1998 together with our reasonable costs. The interest rate as set by the Act is currently 8% above the Bank of England base rate.

9.9. It is your responsibility to ensure that there are sufficient funds in your account to cover the Direct Debit payment. If you do not pay all Charges by Direct Debit (whether because you have not set up a Direct Debit or if your Direct Debit fails to be collected or otherwise) you may be charged as set out in the Pricing Schedule. You must tell us promptly of any changes to your bank details that may affect payment of the Charges. This Clause does not affect any other rights or remedies we have under the Contract.

9.10. You agree to reimburse and indemnify us for all expenses and costs, including all legal and professional fees, incurred by us as a result of your failure to pay the Charges and any fees or charges when due.

9.11. Unless otherwise agreed, Verastar Limited will send you your invoice by paper billing and will charge you the relevant fee detailed for paper billing in the Pricing Schedule.

9.12. If Verastar Limited is e-billing, you will notify us of the email address and, if an e-billing account is used, you must keep your password secure and confidential. We may close your e-billing account at any time without notice if we have reason to believe that the account is being accessed or used in an unauthorised manner.

9.13. Any payments made by you to Verastar Limited, including payments for services other than Water or Foul Waste Water, Property Drainage and Trade Effluent, may be applied by us as we deem appropriate, including to reduce debts owed by you to our Affiliated Companies.

9.14. If there is a genuine dispute about any Charges, you shall pay the Charges in full but if we subsequently reach agreement on the disputed Charges, an adjustment (debit or credit) shall be made to a subsequent invoice. Any genuine dispute of Charges should be raised within 9 months of the Charges being invoiced to you. If a genuine dispute of the Charges is not raised during this time, we, or the Network Operator, may be unable to make any changes to the Charges already invoiced to you.

9.15. The Network Operator may recalculate our wholesale charges in relation to the Services and this may result in a refund payment to us. If this happens, we'll credit your account for the Services in relation to which we have received a refund, at the Tariff applicable to the relevant period.

9.16. Where we owe you a credit under the Contract under 9.15 or for any other reason, we may set-off the credit against any amounts that you owe us or our Affiliated Companies under this Contract or any other agreement. You may not set-off any Charges you owe us against any amounts we or our Affiliated Companies owe you under this Contract or any other agreement.

9.17. Where a credit arises under clause 9.14 or 9.15 and we do not exercise our right to set-off, the amount will be deducted from your next invoice.

9.18. If you fail to pay when due any amount payable by you under the Contract and do not pay such amount in full within 14 days of being informed of such failure, all amounts under the Contract will be immediately due and payable. In addition, we will be entitled to:

a. require you to pay the Charges for each month in advance based on our estimate of likely Service consumption in that month (subject to a reconciliation against actual consumption at least once in every 12-month period);

b. require from you a security deposit, guarantee or bond; or

c. end the Contract under clause 13.8.

9.19. If you do not pay any of the Charges by the payment date, we may pass information relating

to your failure to pay onto a credit reference agency.

9.20. If you fail to provide us (in breach of clause 7.3(f)) with at least 30 days' notice of any change which may alter the Charges payable by you, including but not limited to: change of address, consent for Trade Effluent changes, adjustment in Rateable Value due to changes at the Site, and property eligibility changes, then you agree that you are liable for, and will pay, all Charges properly calculated in accordance with the up to date information provided by you from the date the change occurred.

10. Faults and emergencies

10.1. You undertake not to use the Service in any way that could, or is likely to, create any risk to the health and safety of any person, or risk of damage to any property, or in any way that could interfere with the efficient supply of the Service to other customers.

10.2. Where you believe that there is, has been or is likely to be a leak causing loss of Water or pressure, burst pipe, flood or other emergency that affects your Service you must immediately notify the Network Operator and us.

10.3. If you believe that the Equipment may be damaged or that there is a fault which affects the Service, then you should report that to us, with sufficient detail, as soon as possible.

10.4. In an emergency, we or the Network Operator may require you to stop using Water or disposing of associated Water or privately supplied Water and you agree to act as directed.

10.5. If the fault, including any leak, occurs past the Point of Demarcation, and is therefore considered your responsibility, you must employ a qualified plumber as soon as possible to rectify the issue before damage to third party property occurs. We do not accept liability for any flooding or other damage that occurs due to your negligence or failure to comply with this clause 10.5.

10.6. If the Equipment becomes damaged, whether by you or by any person on your premises (save for our employees or agents) or becomes damaged or develops a fault due to the use of unapproved equipment or Customer Equipment or your negligence, you agree to pay us for the costs of any remedial work undertaken to repair the damage caused or replace the Equipment.

11. Suspension of the Service

11.1. The Network Operator is entitled to suspend the Service in order to maintain, repair or improve the Water Network and/or the Sewerage Network or if it is obliged to do so by any direction or request from any Government department, emergency service, regulatory or administrative authority, or if it reasonably believes that the Service is being misused in any way, or for any other reason as permitted under the Operational Code in place from time to time. We will not be liable to you for any losses that are incurred by you as a result of such suspension nor will we interfere with the Network Operator's right to suspend the Service.

11.2. Any suspension of the Service for any reason whatsoever, including temporary disconnection as a consequence of your failure to pay Charges, will not affect your obligation to pay for the Service during the period of suspension or after a suspension. We reserve the right to charge an administration fee to cover our costs incurred for any suspension which arises because of a breach of this Contract by you.

11.3. Where possible, we will give you notice of any suspension or interruption to the Service required by the Network Operator.

11.4. We may suspend the Service in circumstances where you have failed to pay any amount due, you have failed to comply with Network Operator Byelaws or you have failed to allow us or the Network Operator access to the meter in accordance with clause 16. Any such suspension will be without prejudice to our right to terminate the Contract.

12. Changes to the Contract

12.1. The Tariff will be amended in April each year to reflect any increase in the Default Tariff and/or our wholesale charges (where relevant) as published by the Network Operator.

12.2. We may increase the Usage Charges, amend the Tariff (including amendments under clause 12.1), amend the Pricing Schedule and change any term of the Contract on 20 business days' notice by publishing the changes online at clearbusiness.co.uk/terms-and-pricing (or any other online address of which we notify to you) and/or notifying you in writing by email or post or notice in our invoices or notice on Customer Zone. With the exception of changes to the Tariff under clause 12.1, where you are unhappy with any of these changes, you will have the right to terminate this Contract before the changes take effect in accordance with clause 13.3.

13. Ending the Contract

13.1. If this Contract is not terminated by you or us in accordance with this clause 13, it will automatically roll over into a Renewal Period at the end of the Fixed Term or any subsequent Renewal Period.

13.2. You may end this Contract during the Cooling Off Period with no termination charge.

13.3. Subject to clause 15, you can terminate this Contract:

- a. by transferring the Service to another supplier;
- b. by giving us 20 business days' notice (you can give more notice if you wish to do so); or
- c. by giving us notice of termination or by transferring the Service to another supplier ahead of any contractual changes notified to you in accordance with clause 12.2.

If you terminate this Contract under clause 13.3 (a) or 13.3 (b) and your Fixed Term or Renewal Period ends early, you agree to pay us a sum equal to the difference between (1) the sum you would have paid for the Service if supplied to you under the Default Tariff from the start of the Fixed Term or Renewal Period, whichever is later, to the date of termination and (2) the price you have been charged for the Service during the same period. You agree this represents a fair and reasonable estimate of the losses, costs and expenses we will suffer if the Contract is terminated early.

13.4. If you vacate the Site prior to the expiry of the Fixed Term or Renewal Period (as the case may be), this Contract will terminate on the date you vacate the premises (subject to clause 7.3(h)) and we may require you to pay us a sum equal to the difference between (1) the sum you would have paid for the Service if supplied to you under the Default Tariff from the start of the Fixed Term or Renewal Period, whichever is later, to the date of termination and (2) the price you have been charged for the Service during the same period. You agree this represents a fair and reasonable estimate of the losses, costs and expenses we will suffer if the Contract is terminated early.

13.5. Where you are a Deemed Customer, you may terminate the Contract at any time in accordance with clause 6.5.

13.6. If this Contract is terminated, you will be responsible for identifying a new supplier and any charges associated with transferring your service. If you do not transfer to a new supplier, from the date the Contract is terminated we will continue to supply you on these terms and will charge you in accordance with the Default Tariff. You agree to reimburse us for all the costs that we reasonably incur until the earlier of (1) supply to the Site being disconnected; or (2) the date on which another supplier becomes the Responsible Supplier.

13.7. If this Contract is terminated, you agree to provide us with final meter readings (where a meter is fitted) within 14 days of the Contract terminating. If you do not provide us with final meter readings, we will use an estimate based on historic consumption market data to calculate final meter readings as applicable.

13.8. We may end the Contract at any time for any or all of the Sites if:

- a. you fail to pay any amount payable by you under the Contract by the Due Date, and do not pay such amount in full within 7 days of us informing you of this failure;
- b. you are in breach of any of the terms of the Contract (other than for failure to pay), and (if the breach is capable of remedy) you do not remedy the breach within 14 days of us informing you of this breach;
- c. we reasonably believe that you have made unauthorised use of the Service supplied to you;
- d. there is an Insolvency Event;
- e. it becomes unlawful for us to comply with any material provision of the Contract;
- f. a landlord's consent is required for us to become the Responsible Supplier to the Site and you have not obtained such consent on terms acceptable to us (or that consent ends);
- g. you do not provide us with the security deposit, guarantee or bond referred to in clause 9.18(b) within 14 days of us requesting you to do so;
- h. any information you have provided to us is incorrect;
- i. any of the termination reasons set out in the Supply Licence apply.

13.9. If this Contract is terminated under clause 13.8, with the exception of clause 13.8(e), then you agree to pay us a sum equal to the difference between (1) the sum you would have paid for the Service if supplied to you under the Default Tariff from the start of the Fixed Term or Renewal Period, whichever is later, to the date of termination and (2) the price you have been charged for the Service during the same period. You agree this represents a fair and reasonable estimate of the losses, costs and expenses we will suffer if the Contract is terminated pursuant to clause 13.8.

13.10. If you cease to trade and wish to terminate this Contract you will not be liable for a termination fee if you provide satisfactory evidence that you have ceased to trade, which may include the withdrawal of the property from the Scottish Assessor's register and providing us with the replacement council tax reference number. In these circumstances and where you are remaining at the Site, we will then submit a deregistration request on your behalf and the Service will be resumed by the Network Operator to the Site as a household property. If you remain at the Site continuing to use the Service without being deregistered, then you will continue to be liable to pay the Charges. If this Contract is terminated under clause 13.8 (d) or this clause 13.10 and you remain at the Site and continue to use the Service, you agree that you will remain liable and will pay to us all Charges during that period as a Deemed Customer until you:

- a. enter into a new contract as either a new company or a sole trader;

- b. transfer to another supplier, moving all aspects of the Service away; or
- c. leave the Site.

13.11. The Contract will automatically terminate immediately if our Supply Licence is revoked, or if another supplier is given a "last resort supply direction" (as defined in the Supply Licence) in respect of the supply of the Site(s). We may also terminate this Contract immediately if the Regulator directs another supplier to take over your supply.

13.12. If we end the Contract in respect of any or all of the Sites in accordance with clause 13. 8 or clause 13.11:

- a. we will tell you when the Contract will end;
- b. you will pay us all sums due and payable or accrued under this Contract and, in the case of termination in accordance with clauses 13. 8 (a), (b), (c), (f), (g) or (h), any losses and costs we incur as a result of the early termination of the Contract and the enforcement of our rights;
- c. you will allow us or our appointed agents to enter the Site(s), to remove any of our or their equipment and/or to disconnect the supply point or some other point to effect the discontinuance of supply.

13.13. If during this Contract a SPID at the Site is being registered or has been registered by another supplier for any reason other than as a result of any default by us or proper termination of this Contract under clause 13.3, then you authorise us and will provide us with all reasonable assistance required to either, at our discretion:

- a. raise an objection to such registration;
- b. re-register the SPID with us as the Responsible Supplier.

14. Liability

14.1. Neither you nor we will be liable for any failure, delay or breach of this Contract caused (directly or indirectly) by any event or circumstance which is beyond our reasonable control, for example, floods, storm damage, terrorist activity or armed conflict. This does not include a lack of funds or the consequences of an economic downturn.

14.2. Subject to clauses 9, 14.3 and 14.5, neither you nor we will be liable to each other for loss or damage arising in connection with this Contract (whether resulting from breach of this Contract, negligence or otherwise) except where such loss or damage was reasonably foreseeable as likely to result from such breach. Further, we will only be liable to you if there has been physical damage to your property or to the property of any third party for which you are liable provided that:

- a. our liability to you will be limited to £50,000 per incident or series of incidents;
- b. if you wish to bring a claim against us in relation to the supply of the Service or any connected matter, any claim must be notified to us in writing within 2 years of the date you became aware, or you ought reasonably to have become aware, of the circumstances giving rise to the claim, failing which all liability is excluded; and
- c. we shall not be liable to each other for any loss of profit, revenue, business, savings (anticipated or otherwise), damage to reputation or any other form of indirect or consequential loss. For the purposes of this clause 14.2, property shall include work in progress valued at cost.

14.3. Nothing in this Contract shall exclude or limit the liability of any party for death or personal injury resulting from the negligence of that party or your liability for any sums properly due to us under this Contract.

14.4. Neither we nor our officers, employees or agents shall be liable to you for:

- a. loss or damage arising out of any act or omission of the Network Operator in the performance of its duties; and
- b. any modifications to the distribution or metering system. If you modify the metering equipment then you warrant that you will indemnify us against all costs, losses, claims or demands and expenses including (without limitation) legal expenses which we may suffer or incur as a result of such modification.

14.5. You must reimburse us for all costs and losses we suffer as a result of your breach of the terms of the Contract or any law, regulation or agreement about the connection or use of the Service we supply or failing to use Equipment or Customer Equipment in line with all relevant law and regulation. You also agree to reimburse us for any costs or losses we suffer as a result of your employees, agents, representatives or partners failing to adhere to the terms of the Contract or any applicable law or industry code.

14.6. You and we agree that each sub-clause of this clause 14 is separate and severable, and if one or more of the sub-clauses is held to be invalid, unlawful or otherwise unenforceable the others shall remain in full force and effect and shall continue to bind us and shall survive termination of this Contract.

14.7. Except as provided in this Contract, you and we agree that all rights and remedies provided by statute or common law are excluded from application under this Contract to the fullest extent possible.

14.8. You agree that we shall hold the benefit of this clause 14 for ourselves and as trustee and agent for our officers, employees, agents and contractors.

14.9. Where we agree to supply the Service to entities which are linked to you, you are liable for everything those linked entities do or do not do and agree to make those entities aware of these conditions.

14.10. You accept that you have liability for pipework in, on or under the Site past the Point of Demarcation that is connected to the Water Network and/or Sewerage Network. This includes but is not limited to loss of Water, damage of the meter or pipework by frost, or flooding of Water or Waste Water due to the condition of that pipework. You accept that if you ask us to visit the Site unnecessarily you will be liable for any costs incurred by us or on our behalf in attending the Site.

14.11. We shall not be liable for loss or damage caused to you by any act or failure by the Network Operator.

15. Temporary Transfer of Service

15.1. Where you own a Site that is Vacant and fail to pay us any Charges due, we may temporarily transfer the Service to the Network Operator. This may also result in your Service being permanently disconnected in accordance with the Disconnections Document.

15.2. The Network Operator will be assigned the right to invoice and recover any Charges in relation to the Service, including any legal costs incurred by us or the Network Operator. The Network Operator will also assume operational responsibility for the Service, including meter reading where the Service is metered.

15.3. The period of Temporary Transfer may be backdated to the later of:

- a. the date the Site became Vacant;
- b. the date payment was last received; or
- c. 30 months prior to the date we apply for the Temporary Transfer.

15.4. Your Contract with us will remain in force during the Temporary Transfer period. You will not be able to terminate this Contract or transfer to another supplier until any Charges owed are paid to the Network Operator and the Service is no longer temporarily transferred.

15.5. From the date of our Temporary Transfer application, you will be charged at the Default Tariff.

15.6. The Temporary Transfer period will end when:

- a. You no longer own the Site;
- a. The Site is no longer Vacant;
- b. All outstanding Charges are paid; or
- c. The Site is no longer an Eligible Premises and is deregistered; whichever is earliest.

16. Disconnections and reconnections

16.1. We may begin the procedure to either temporarily or permanently disconnect the Service in accordance with the Disconnections Document, including any relevant limitations, if you fail to:

- a. pay us an amount properly due, including a refundable security deposit;
- b. comply with the Network Operator Byelaws; or
- c. allow us or the Network Operator access to the meter

and any such failure is not remedied within 14 days, without prejudice to any other rights or remedies that we may have.

16.2. We will issue a Disconnection Warning Notice (as defined in the Disconnections Document) to you as the occupier of the Site and, where required, to the owner of the Site. The Disconnection Warning Notice will include information about how to contact us if you dispute the basis for the disconnection or you believe the supply falls within one of the exemptions set out in the Disconnections Document.

16.3. We may either temporarily or permanently disconnect your Site from the Service for the reasons set out in clause 16.1 above or on your request for refurbishment, or any other reasonable request.

16.4. A permanent disconnection, where there is no longer a legal supply point for a Water supply through the Network Operator infrastructure, can occur:

- a. if you illegally use the Service;
- b. at your request if the property is being demolished or for some other reason; or
- c. where clause 16.3 applies

16.5. If we disconnect or suspend the Service, it does not mean that the Contract is automatically at an end. You will continue to be charged for any aspect of the Service which is provided.

16.6. Any temporary or permanent disconnection may incur a disconnection fee. Any other additional costs incurred during the disconnection process will be invoiced to you in the normal manner. You agree to pay the total cost for any disconnection(s).

16.7. Reconnection will occur when any reason(s) for disconnection have been fully resolved. Reconnection may result in a fee becoming payable to us to cover the costs involved in reconnection ("Reconnection Fees"). Any Reconnection Fees will be notified to you prior to reconnection and must be paid before a reconnection will be made. We will only request that the Network Operator reconnect your Water supply once we are satisfied that all outstanding issues are fully resolved, including pre-payment of any reconnection fees.

16.8. A permanent disconnection can only be reconnected by applying to the Network Operator for a new connection. The Network Operator may refuse if you are the continuing occupier of the Site and the disconnection was initiated due to breaches of this Contract. If we have initiated the disconnection, the Network Operator may require us to give our consent for reconnection to occur.
