

Planning your dream wedding involves many decisions, and selecting the right suppliers is key. At Ashridge House, we've carefully curated a list of trusted partners who offer diverse services, styles, and price points, and who understand the unique requirements of our Grade I listed building.

To preserve the beauty and heritage of our historic venue, we ask all couples to choose suppliers from our approved list for the categories below. If you wish to use a non-listed supplier, they must undergo a vetting process to ensure compliance, including checks for insurance. A vetting fee of £250 per supplier will apply. Please consult your Wedding Co-ordinator as early as possible.
