

Snow adventure for the whole family

Feuerkogel, Upper Austria’s sunniest high plateau, offers unforgettable winter experiences in the heart of the Salz-kammergut with modern cable car and lift facilities, family-friendly pistes, a fantastic 360-degree panoramic view of the Dachstein and the lake region, cosy mountain huts and a wide range of winter activities.

Ideal for leisure skiers, beginners and families, the compact ski area on the high plateau offers perfectly groomed pistes and reliable snow conditions thanks to its snowmaking system.

Experience the tranquillity of the Feuerkogel plateau and explore endless kilometres of unspoilt snowy landscapes while snowshoeing or ski touring.

Sustainability is an important part of the Feuerkogel experience. As well as EV charging stations, all lift facilities are powered by electricity from renewable energy sources. Sustainable, naturally!

Feuerkogel is part of the Bergbahnen Dachstein Salz-kammergut. The brand brings together all destinations operated by OÖ Seilbahnholding GmbH, including Dachstein West (Gosau, Russbach and Annaberg), Feuerkogel Ebensee, Grünberg Gmunden, Dachstein Krippenstein Obertraun and Wurbauerkogel Windischgarsten.
