

SP-Connect Info Sheet

The Ultimate 2.0 T11+/C380+ is equipped with a new stem compatible with SP-Connect's "SP Stem Mount Flat SPC+." This mount allows customers to attach their phones to the stem with either an SP-Connect Phone Case or SP-Connect Universal Phone Mount.

Note: All SP-Connect accessories, including the Stem Mount, are sold separately from the bicycle. Please ensure a compatible phone case is ordered to complete the setup.

The SP Stem Mount Flat SPC+ as well as phone accessories can be purchased at your favorite SP-Connect dealer or [direct from SP-connect](#).

Installation

1. Remove the rubber plug that comes stock on the stem
2. Line up the left and right pins of the mount with the left and right holes on the stem.
3. Thread the mounting bolt into the center threaded hole on the stem.
