BACK TO SCHOOL IN PORTUGAL

Home is where the homework is! Expat families trust Baby Sisters' to make this back-to-school brilliant

As schools reopen across Portugal, expatriate families **balancing back-to-school routines and settling into country life** find invaluable support from Baby Sisters Portugal.

Navigating the start of term abroad can be challenging, especially for families new to Portugal. Baby Sisters offers expert, fully insured childcare services, designed to help children adapt smoothly to school life, while giving parents peace of mind during busy days and evenings.

With a community of **over 700 certified multilingual nannies**, and nationwide coverage, Baby Sisters has **served over 6,000 families already** and stands as a true ally for parents at the 2025/2026 school year. What makes Baby Sisters the preferred choice for discerning expats?

- Easy online booking, guaranteeing verified professional profiles within 24 hours
- Over 700 vetted, multilingual nannies to support international families and homework needs
- Specialised training in Montessori educational approaches, encouraging developmental independence and confidence
- Certified paediatric first aid professionals, ensuring children's health and safety.
- Flexible, 24/7 care including school pickups, after-school support, healthy meal preparation, and bespoke routines adapted to each child and family culture

Renowned for its personalised, multilingual childcare, Baby Sisters is **a trusted partner of top luxury hotels**, including celebrated 5-star hotels & resorts in Lisbon, Porto, Algarve, Funchal and beyond.

"Baby Sisters at the Sheraton Cascais Resort have carried out their work with great professionalism. We can confirm that the Baby Sisters service has consistently met our high standards of quality, and we intend to maintain our partnership in the future."

- Pedro Santos General Manager, Sheraton Cascais

With **classes starting on 15 September 2025** across Portugal, Baby Sisters provides personalised support for discerning families needing that extra level of care and attention during this busy period, wherever home may be.
