Your business. Our legal expertise.

Windt Le Grand Leeuwenburgh is an independent corporate law firm based in Rotterdam. We advise entrepreneurs, scale-ups, corporates and investors on the legal issues that matter when building, growing, protecting or restructuring a business.

We combine top-level legal expertise with a hands-on, pragmatic approach. Our lawyers work in small, dedicated teams and stay close to our clients — providing clear advice, practical solutions and personal attention.

How we can help

Corporate / M&A
Starting a business, raising capital, shareholders, investments, acquisitions and strategic transactions.

Commercial contracts & litigation
Commercial agreements, negotiations, disputes and litigation: from everyday contracts to complex conflicts.

Employment & reorganisation
Employment agreements, management issues, reorganisations and other people-related legal matters.

Data, privacy & cybersecurity
Privacy, data governance, cybersecurity and the legal challenges surrounding new technologies and AI.

IP & pharma
Protecting and enforcing intellectual property, brands, designs, copyright and patents.

EU, State Aid & competition
Competition law, regulatory matters, state aid and European law.

Banking & finance
Financing, security interests, refinancing and other financial matters.

Restructuring & insolvency
Early-stage advice, financial distress, restructuring and insolvency: for companies and stakeholders.
