### \ BIOS

#### Julie Peasgood - Founder of Supercraft Cruises

Julie has a multi-faceted career as an accomplished actress, TV presenter and producer, award-winning author, travel writer and voice-over artist. Honoured by the Royal Television Society with their celebrated Television Personality of the Year Award, Julie's acting career spans fifty years of prestigious theatre and television including over five years with the Royal Shakespeare Company, but she is probably best known for having been a regular in no less than three soaps: Brookside, Emmerdale and Hollyoaks. A veteran of over 100 cruises, as a travel presenter, cruise reviewer and guest speaker, Julie launched her highly successful company, Supercraft Cruises in 2018, employing teams of specialist craft tutors to deliver unique, leading-edge workshops on worldwide cruises.

#### Jennie Turner-Maskell - Owner of Jolly Super Things

After enjoying a highly successful career in the music industry, theatre and event management, Jennie returned to the hands-on aspect of her creative side. Having formerly studied 3D Design at college, working frequently in metals and unusual materials, she developed a passion for projects with an emphasis on reusing and recycling. She teaches workshops regularly from her home in the Cotswolds and is an adult education tutor at Cirencester College.

Jennie is a winner of multiple business awards for innovation and for contribution to her local community in The Cotswolds, including a prestigious Women in Business Award. She is also co-creator of Crafter's Retreats with Supercraft colleague Mark Vardy. Aside from crafting, Jennie has over 20 years of experience in marketing and graphic design, and led an award-winning music festival for more than a decade.

## Ali Reeve - owner of Stamps Away

Ali is a mixed media crafter with a passion for experimental techniques. She loves to create dimensional pieces, which incorporate found items and personal touches, making each creation unique and special. Ali also loves sharing her distinctive methods and know-how, and through her demonstrations on Hobbymaker TV and Facebook Live, she is known as the crafting Womble (a name she is proud to live up to!) With a background in teaching, she welcomes both experienced and new crafters to her popular workshops. Ali also runs Stamps Away, a renowned craft manufacturing company, with her husband Paul Reeve.

## Melissa Waudby - owner of Simply Vintage Designs

Simply Vintage Designs was born from a love of all things vintage and handmade. Melissa originally trained as an actress and worked in TV, film and theatre before turning her talents to theatre production, employing her passion and vision for costume design and creation. Fast forward 20 years, and Melissa now designs for her own production company, alongside top businesses and theatres globally. She has created a unique product range which perfectly complements her workshops and is now a sought-after tutor and presenter bringing a little bit of vintage to the modern world.

\ Find Melissa at the **Country Living Fairs, The Stitch Festival** and many more shows nationwide.
