

Flex Channel Guide

AUGUST 2025

HOW TO FIND WHICH CHANNELS YOU CAN GET

1. Match your package to the column

2. If there's a tick in your column, you get that channel. Essential Entertainment also includes all the free-to-all channels

3. If a channel is blue, it is a premium channel included in some TV bundles or can be added to your TV package for an extra charge

If a channel is available in both SD and HD, and your package includes the HD version, you will automatically see the HD content (TiVo® customers should visit the relevant channel listed for SD/HD).

* Regional variations apply

© SD/HD variations apply. We will always offer you the best quality content you are entitled to. If your package includes HD channels, Virgin TV 360 will automatically replace your standard definition channels with the high definition version.

Channel packaging subject to change. Correct as of 1/8/2025 – see virginmedia.com for latest packaging line-up. Premium channels and package upgrades must be kept for at least 30 days. HD TV set required and Virgin TV 360 box connected with HDMI cables required for HD channels. Additional Netflix subscription needed to watch Netflix. Additional Amazon Prime subscription needed to watch Prime Video. Channels/HD Channels may be subject to change. You must subscribe to Sky Sports in SD to take these channels in HD. Most customers can add channels to their package for an additional monthly charge.
