- 2) **Fluffy or warm socks for men and women.**
- 3) **An Amaryllis growing kit to look forward to** (something easy to grow indoors, ideally a complete kit so the recipient does not need to buy a pot or compost).

Cost per complete bag: approximately £17–£25. We'd like these to feel like a real treat; items should therefore be new, good quality, unisex where possible, and chosen with dignity and care.
