TDS – Tasting, Demonstration, Sampling

Facts & figures

DESCRIPTION

TDS, the ideal tool for publicizing your product and pushing sales.

With up to 700,000 visible impressions and 90,000 qualified leads, it is the most commonly used POS medium in Switzerland.

- Personal advice and active presentation
- High visibility at first-class, high-footfall locations throughout Switzerland
- A fun way to activate your brand with a digital wheel of fortune at the POS
- Advertise with emotions, where the purchasing decision is made
- Traffic, involvement and activation
